

V5061u Digital Camera

Don't miss a memorable moment!

The V5061u is a 1080p high definition digital camcorder with a large 3" touch screen LCD display for easy navigation and viewing of your recordings. It features two SD card slots and dual power sources allowing you to capture more videos and enjoy battery power flexibility.

1080p High Definition recording

Featuring 1080p high definition recording, the V5061u Digital Camcorder allows you to record videos at up to 1440x1080 resolution. Now you can capture videos of your life's moments in sharp details and in vivid colors.

Dual Power Source

The V5061u provides you with the flexibility of using AA batteries whenever the rechargeable battery runs out of power. You can now record your life moments with 2x AA batteries whenever you forget to recharge your battery.

HDMI interface

With the HDMI Interface, you can easily transmit digital videos to any HD TV to share instantly with friends and family.

Just record, connect the camcorder to your TV using the included HDMI cable, and enjoy the vivid colors from the videos instantly on your High Definition TV. It's that simple!

Motion Detection Function

Capture fun moments of your pet or toddler by setting the camcorder in place. Recording automatically starts when motion is detected.

Still image capture

Press the camera button at any time to take color snapshots to share with friends and family. With the still image resolution of up to 16MP with interpolation, you can be sure to have brilliant color pictures with great clarity.
