1.2 Safety guidelines

Operation and safety

- To prevent possible hearing damage, do not listen at high volume levels for long periods.
- Using a headset at high volumes may damage your hearing. To reduce this risk, lower the headset volume to a safe and comfortable level.
- Using an unapproved or incompatible power adapter, charger or battery may damage your device, shorten its lifespan or cause a fire, explosion or other hazards.
- Use only approved accessories. The use of unapproved accessories may void the warranty, may violate local regulations and laws, and may be dangerous. For information about the availability of approved accessories in your area, contact your retailer.
- Ideal operating temperatures are 0 °C to 35 °C. Ideal storage temperatures are -20 °C to 60 °C.
- Pacemaker manufacturers recommend maintaining a minimum distance of 15 cm between a pacemaker and a wireless device to prevent potential interference with the pacemaker. If using a pacemaker, hold the device on the side opposite the pacemaker and do not carry the device in your front pocket.
- Keep the device and the battery away from excessive heat and direct sunlight. Do not place them on or in heating devices, such as microwave ovens, stoves or radiators.

- Adhere to local laws and regulations while using the device. To reduce the risk of accidents, do not use your device while driving.

- While flying in an aircraft or immediately before boarding, ensure that you use your device according to the instructions provided. Using a wireless device in an aircraft may disrupt wireless networks, present a hazard to aircraft operations or be illegal under law.

- To prevent damage to your device's parts or internal circuits, do not use it in dusty, smoky, damp or dirty environments or near magnetic fields.

- When charging the device, make sure the power adapter is plugged into a socket near the devices and is easily accessible.

- Unplug the charger from the electric socket and from the device when not in use.

- If the device has a built-in, non-removable battery, do not attempt to remove it. Doing so may damage the device. To replace the battery, take the device to an authorised service centre.

- Do not use, store or transport the device where flammables or explosives are stored (e.g. in a petrol station, oil depot or chemical plant). Using your device in these environments increases the risk of explosion or fire.

- Do not use chemical detergents, powders, or other agents (such as alcohol or benzene) to clean the device or accessories. These substances may cause damage to parts or present a fire hazard. Use a clean, soft, and dry cloth to clean the device and accessories.

- Dispose of this device, the battery and accessories according to local regulations. They should not be disposed of in normal household waste. Improper battery use may lead to fire, explosion or other hazards.

FCC statement

This device has been tested and found to comply with the limits for a Class B digital device, pursuant to Part 15 of the FCC Rules. These limits are designed to provide reasonable protection against harmful interference in a residential installation. This device generates, uses and can radiate radio frequency energy and, if not installed and used in accordance with the instructions, may cause harmful interference to radio communications. However, there is no guarantee that interference will not occur in a particular installation. If this device does cause harmful interference to radio or television reception, which can be determined by turning the equipment off and on, the user is encouraged to perform one or more of the following operations to try to correct the interference:

- Reorient or relocate the receiving antenna.

–Increase the separation between the equipment and receiver.

–Connect the device into an outlet on a circuit different from that to which the receiver is connected.

–Consult the dealer or an experienced radio/TV technician for help.

This device complies with Part 15 of the FCC Rules.

Operation is subject to the following two conditions: (1) this device may not cause harmful interference, and (2) this device must accept any interference received, including interference that may cause undesired operation.

Caution: Any changes or modifications to this device not expressly approved by Huawei Technologies Co., Ltd. for compliance could void the user's authority to operate the device.

Restrictions in the 5 GHz band:

Within the 5.15 to 5.25 GHz band, UNII devices will be restricted to indoor operations to reduce any potential for harmful interference to co-channel Mobile Satellite System (MSS) operations.

1.4 Limited Warranty

GREAT BRITAIN, IRELAND

Huawei Technologies Co., Ltd. or its local relevant Huawei affiliates ("**HUAWEI**") provides for each purchased Product (the "**Product**") this warranty ("**Warranty**"). The Warranty is separate and in addition to the legal rights of consumers under applicable state or national laws governing the sale of consumer goods. This Warranty does not therefore affect or replace the Consumer's legal rights under such applicable laws. HUAWEI, according to this Warranty, represents and warrants that the Product and its accessories under normal use during the Warranty Period are free from defects in materials and workmanship.

1. The Warranty lasts and is provided in accordance with the respective local laws, as standard for a period of twenty-four (24) months for the Host unit, six (6) months for the Battery and Charger, and three (3) months for the Earphone from the date of purchase of the Product ("**Warranty Period**"), and is only applicable if you have purchased the Product in a member state of European Union, Iceland, Norway or Switzerland.

2. During the Warranty Period, HUAWEI or its authorised service network (the list is available at the following address: www.consumer.huawei.com) will repair or replace, at HUAWEI's option, the Product or any relevant parts thereof in the event that the Product is found to be defective. The repaired Product or the Product/part provided as a replacement for a defective Product/part shall be free from defect. Repair or replacement of a Product may involve the use of functionally equivalent reconditioned unit. The purchaser of the Product or his/her assignee ("**Consumer**") shall not be charged (whether for parts, labour or otherwise) for the repair or replacement of a

1.4 Limited Warranty

defective Product during the Warranty Period. All defective replaced parts, boards or equipment shall become the property of HUAWEI.

3. Unless contrary to the respective local law, the Warranty in respect of a repaired or replaced Product/part shall extend for the remaining Warranty Period of the repaired Product or replacement thereof to the Consumer.

4. Upon request from HUAWEI, the Consumer may be required to provide the purchase receipt or other documentation or information in respect of the date and place of purchase. In the event that the information is not presented or if it is incomplete or illegible, HUAWEI reserves the right to refuse the Warranty service.

5. This Warranty does not cover damage resulting from:

- 1) Normal wear and tear of the equipment.
- 2) Defects and damages due to the equipment being used other than in a normal and customary manner.
- 3) Any unauthorised disassembly, repair, alteration or modifications being carried out.

4) Misuse, abuse, negligence or accident howsoever caused.

5) Defects or damage arising from improper testing, operation, maintenance, installation, or any alteration or modification.

6) Defects or damage due to spillage of food or liquids, corrosion, rust or the use of wrong voltage.

7) Scratches or damage to plastic surfaces and all other externally exposed parts that are due to normal customer use.

6. This warranty will be null and void in any of the following events:

- 1) If the serial number or warranty seal on the equipment has been defaced or removed.

2) If any term contained in this warranty has been altered or modified in any way without the prior written consent of HUAWEI.

3) Without any proof of purchase.

7. This warranty applies only to the hardware components of the Product as originally supplied and does not apply to any software or other equipment that are owned by HUAWEI or third parties or third parties for which an end-user license agreement or separate warranty/guarantee statements or exclusions are provided or intended to apply.

8. HUAWEI is not responsible for the damage to or loss of any programs, data, or removable storage media where you do not backup your data. Therefore HUAWEI invites the Consumer to back up the contents of his Product before delivering it to a HUAWEI authorised centre.

9. Except for the express warranties set forth above, HUAWEI grants no other warranties, express or implied, by statute or otherwise, regarding the Product, fitness for any purpose or otherwise. To the extent permitted by local laws, HUAWEI shall not be liable for the loss of use of the Product, inconvenience, loss or any other consequential damage, arising out of the use of, or inability to use the Product or for breach of any express or implied warranty.

10. This Warranty will be provided locally by the relevant Huawei affiliates which are listed under the following address:
www.consumer.huawei.com
