安装摄像头
Install the Camera

1. 从包装袋中取出摄像头。
   Take the camera out of the plastic bag.
2. 取下话机后壳盖，将摄像头插入USB摄像头接口。
   Remove the back cover of your phone and connect the camera to the USB camera port.

   话机上电后：
   After your phone is powered on：
- 摄像头指示灯红色常亮表示摄像头连接中，连接成功后摄像头指示灯灭，表明摄像头初始化成功。
  If the camera LED is steady red, the camera is being connected. The camera LED will be off after the camera is successfully connected and initialized.
- 指示灯蓝色常亮表示拍摄视频中。
  If the camera LED is steady blue, video is being shot.

安全须知

请在存储、运输和使用设备的过程中保持设备干燥，并避免激烈碰撞。
Keep the product dry and handle the product carefully to prevent damage during storage, transportation, and operation.

请勿自行拆卸设备，设备发生故障时请联系指定的维修点。
Do not attempt to dismantle the product. In case of any fault, contact an authorized maintenance center for assistance or repair.

请将设备安放在通风、无强光直射的环境中。
Keep the product in a well-ventilated place. Do not expose the product to direct sunlight.

请保持设备清洁，避免灰尘污染。
Keep the product clean and free of dust and stains.

请勿刮擦或重击液晶屏幕，勿将重物置于屏幕上。
Do not press, scratch, or damage the LCD; do not place heavy objects on top of it.

请将设备放置于平稳工作台上。
Place the product on a stable surface.

请勿在设备上放置任何物体，并在设备四周预留散热空间。
Do not place any object on the top of the product. Reserve sufficient space around the product for heat dissipation.

请勿将设备靠近热源或裸露的火源。
Keep the product away from heat sources or flames.

请勿将设备靠近具有强磁场或强电场的电器。
Keep the product away from any appliances that generate strong magnetic or electromagnetic fields.

请使用产品配套的附件以及厂商推荐的电源适配器和电池。
Use the accessories intended for the product and the components recommended by the manufacturer such as power adapter and battery.

请勿让水或其他液体流进设备。
Prevent water or any other liquids from infiltrating the product.

请在产品安装使用过程中严格遵守当地各项电气安全标准。
When installing and using the product, comply with local electric security standards.

请在插拔设备线缆前先停止使用设备，并断开电源。
Before connecting or disconnecting any cable, shut down the product and disconnect the power supply.

请在插拔设备线缆时保持双手干燥。
While connecting or disconnecting any cable, ensure that your hands are dry.

请勿踩踏、拉扯和过度弯折设备线缆，以免引起设备故障。
Do not step on, pull, or bend any cable excessively; doing so may result in the cable being damaged, leading to product malfunction.

请保持电源插头清洁、干燥，以免引起触电或其他危险。
Keep the power plug clean and dry, to prevent electric shock or dangerous situations.
