# Safety Precautions

Please read the safety precautions carefully to ensure the correct and safe use of your wireless device. For detailed information, refer to the section "Warnings and Precautions".

Do not switch on your phone when it is prohibited to use mobile phones or when the phone may cause interference or danger.

Do not use your phone while driving.

Follow any rules or regulations in hospitals and health care facilities. Switch off your phone near medical apparatus.

Switch off your phone in aircraft. The phone may cause interference to control signals of the aircraft.

Switch off your phone near high-precision electronic devices. The phone may affect the performance of these devices.

Do not attempt to disassemble your phone or its accessories. Only qualified personnel are allowed to service or repair the phone.

Do not place your phone or its accessories in containers with strong electromagnetic field.

Do not place magnetic storage media near your phone. Radiation from the phone may erase the information stored on them.

Do not put your phone in a high-temperature place or use it in a place with flammable gas such as a gas station.

Keep your phone and its accessories away from children. Do not allow children to use your phone without guidance.

Use only approved batteries and chargers to avoid the risk of explosions.

Observe any laws or regulations on the use of wireless device. Respect others' privacy and legal rights when using your wireless device.

Strictly follow the relevant instructions on 58 of this manual while using the USB cable. Otherwise your phone or PC may be damaged.

## **Acronyms and Abbreviations 62**

## **Appendix 63**

## **Index 1**

# 1 Getting to Know Your Phone

Your HUAWEI U1301 phone can operate in virtually all countries, automatically switching between WCDMA 900/2100 and GSM/GPRS 850/900/1800/1900 networks. This allows you to enjoy communication wherever you use your mobile phone.

**Note** The services supported by your phone should be also supported by the network from where you use the phone. For details, please consult your service provider.

## Packing List

Your phone package box contains the following:

- 1 One HUAWEI U1301 mobile phone
- 2 One travel charger
- 3 One Li-ion battery
- 4 One user Guide
- 5 One headset
- 6 One USB data cable

## Your Phone

## Back View

## Side View

## Home Screen

### ◆ Icon bar

This area displays the phone status. The following table illustrates all the icons that may appear on this bar.

| Icon | Description  |
|------|--|
|      | Indicates signal strength. The more bars that appear, the stronger the signal. |
|      | The phone is currently in a GSM network.                                       |
|      | The phone is currently in a WCDMA network.                                     |

## ■ Your Phone

| Icon  | Description   |
|---|---|
|  | You are using the roaming service.                  |
|  | Bluetooth is enabled.                               |
|  | Indicates network connection state.                 |
|  | Indicates security connection state of the network. |
|  | The phone is in a call.                             |
|  | Forwarding all incoming voice calls to line 1.      |
|  | Call line 2 is enabled currently.                   |
|  | Forwarding all incoming voice calls to line 2.      |
|  | Alarm clock is enabled.                             |
|  | You have new text messages.                         |
|  | You have new PUSH messages.                         |

|  | The background play is activated.                    |

## Introduction to the Menu

Your phone provides an extensive range of functions. You can use these functions by navigating the following menus: Entertainment, Browser, Music, Camera,

Messaging, My Files, Organizer & Tools, Contacts, Calls, Profiles, Video call and Settings.

- 1** In the standby mode, press  to display the main menu.
- 2** Press the scroll key to scroll through the menu, and then press  to select.
- 3** If the menu contains further submenus, repeat step 2.
- 4** Use the selected function according to the prompts on the screen.
- 5** Select **Back** to return to the previous menu. Press  to return to the standby mode.

## 2 Getting Started

### Loading the SIM Card

Load your SIM card before using your phone. To use the SIM card properly, please read the following instructions carefully.

#### Note

- Keep the SIM card out of the reach of children.
- The SIM card and its metal contacts can be easily damaged by scratching or bending. Ensure care when you carry, load or remove it.
- Always disconnect the charger from the phone before loading or removing the SIM card.

To load the SIM card, do as follows:

- 1** Position the card at the card slot entrance, making sure it is facing the same way as shown in the diagram below, with the notched corner at the top right. Then slide in as shown.

- 2** Fit the battery into the battery slot on back of the phone. Press the battery down until it clicks into place.

- 3** Slide the back cover to the phone.
