Safety Precautions

Please read the safety precautions carefully to ensure the correct and safe use of your wireless device. For detailed information, refer to the section "Warnings and Precautions".

Do not switch on your phone when it is prohibited to use mobile phones or when the phone may cause interference or danger.

Do not use your phone while driving.

Follow any rules or regulations in hospitals and health care facilities. Switch off your phone near medical apparatus.

Switch off your phone in aircraft. The phone may cause interference to control signals of the aircraft.

Switch off your phone near high-precision electronic devices. The phone may affect the performance of these devices.

Do not attempt to disassemble your phone or its accessories. Only qualified personnel are allowed to service or repair the phone.

Do not place your phone or its accessories in containers with strong electromagnetic field.

Do not place magnetic storage media near your phone. Radiation from the phone may erase the information stored on them.

Do not put your phone in a high-temperature place or use it in a place with flammable gas such as a gas station.

Keep your phone and its accessories away from children. Do not allow children to use your phone without guidance.

Use only approved batteries and chargers to avoid the risk of explosions.

Observe any laws or regulations on the use of wireless device. Respect others' privacy and legal rights when using your wireless device.

Strictly follow the relevant instructions on 58 of this manual while using the USB cable. Otherwise your phone or PC may be damaged.

Index 1

1 Getting to Know Your Phone

Your MTV3.4 phone can operate in virtually all countries, automatically switching between WCDMA and GSM networks. MTV3.4 supports WCDMA 2100MHz and GSM/GPRS/EDGE (GSM900M, DCS1800M, and PCS1900M) networks. This allows you to enjoy communication wherever you use your mobile phone.

Note

The services supported by your phone should be also supported by the network from where you use the phone. For details, please contact your local customer care centre.

- 5 One stereo headset (optional)
- 6 One USB data cable (optional)
- 7 One FM Transmitter (optional)

Packing List

Your phone package box contains the following:

- 1 One MTV3.4 mobile phone
- 2 One travel charger
- 3 One Li-on battery
- 4 One User Guide

Your Phone

Front View and Back View

Side View

Home Screen

◆ Icon bar

This area displays the phone status. The following table illustrates the icons that may appear on this bar.

Icon	Description
