

User's manual & compliance statement

**Huf Electronics Bretten GmbH
Gewerbestrasse 40, 75015 Bretten
Germany**

Tire Pressure Monitoring System (TPMS)

Model(s): TSSRE4Nd

The device under test is manufactured by the grantee (Huf Electronics Bretten) and sold as an OEM product for motor vehicles. Therefore, we will not supply a separate user's manual. Huf Electronics Bretten will supply this document to the reseller/distributor dictating what must be included in the end user's manual for the vehicle.

INFORMATION TO BE INCLUDED IN THE END USER'S MANUAL

The following information must be included in the end user's manual to ensure continued FCC and Industry Canada regulatory compliance.

+++++

FCC ID: OYGTSSRE4ND IC: 3702A-TSSRE4ND

This device complies with Part 15 of the FCC rules and with RSS-210 of Industry Canada. Operation is subject to the following two conditions:

- (1) this device may not cause harmful interference, and
- (2) this device must accept any interference received, including interference that may cause undesired operation.

WARNING:

Changes or modifications not expressly approved by the party responsible for compliance could void the user's authority to operate the equipment.
