History

Version 1.0 – First release 4th of June 2003

1 Introduction

Sirt Technologies Ltd. is a wholly owned UK subsidiary of Sirt Technologies inc. of Toronto Canada and forms the design and development arm of the corporation. This company was formerly known as I2r Ltd.

This document covers the User Manual Information of the OEM 176 / 177 combined RFID and bar-code scanner module when fitted to the Colour screen version Symbol 8146 UL approved hand held computer.

There is no specific document “User Manual” this is because the module is completely transparent to the end user.

This document is for information only. Every effort has been made to avoid errors, but Sirt provide no guarantee as to the accuracy of the material.
