

HD-TVI Analog Bullet Cameras

720p and 1080p
Resolution Cameras

OVERVIEW

The TruVision® HD-TVI Bullet Camera by Interlogix delivers cost effective surveillance with high resolution HD-TVI technology and up to 1080p image quality over existing coaxial cable. The bullet camera model also offers a familiar form factor that features a pre-installed wall mount with cable management and is IP66 rated for outdoor installation.

With the ability to see in low-light conditions, the HD-TVI Bullet Camera provides color images by day and black-and-white images in night-time applications (in conjunction with IR illumination). With quick and easy installation, the HD-TVI Bullet Camera is ideal for new or existing projects and helps users stay within budget constraints without compromising security needs.
