

BUMPER THUMPERS

INSTRUCTION MANUAL

To score points, "hit" opponents with the front of your car! -Points can be scored against you by being "hit" on the sides or back of your car!

On/Off Switch on bottom, do not press on bumper when turning on.

Batteries Needed:

- 3 x 'AA' for each car.
- 1 x 9V for each transmitter.

GAME PLAY!

- Switch on the transmitters and the cars. Place the Bumper Thumpers on the floor.
- Be careful not to press on the black bumpers when attempting to switch on the cars.
- Drive your car around, trying to bump into your opponent's cars without getting hit yourself.
- Score points by bumping into other cars with the front of your car. Only bumps to the sides and backs will count as hits!
- Every time a car registers that it has been hit, it makes one of several random sounds.
- When a car is hit for the 15th time it lets out a "Ding-Ouch" sound and the top mounted LEDs start flashing red.
- When a car is hit for the 20th time it lets out a diabolical laugh, the LEDs light up solid red and the car stops responding to the transmitter - that player has lost.

WARNING: DO NOT play Bumper Thumpers on a table - The Bumper Thumpers may fall off table!

IMPORTANT BATTERY INFORMATION

Use only batteries recommended in this instruction manual. Do not mix old and new batteries. Battery installation should be performed by an adult. Be careful to install the batteries with the correct polarity, as indicated. Do not use rechargeable batteries. Do not mix alkaline, standard, lithium, rechargeable, or different types of batteries. The supply terminals are not to be short-circuited. Exhausted batteries are to be removed as they will hinder performance. Never leave a battery unattended while it is being charged. Never leave a battery unattended in the presence of children.

FCC NOTE: U.S. ONLY

This device complies with Part 15 of the FCC Rules. Operation is subject to the following two conditions:
1) This device may not cause harmful interference, and
2) This device must accept any interference received including interference that may cause undesired operation.
Warning: Changes or modifications to this unit not expressly approved by the party responsible for compliance could void the user's authority to operate the equipment.
WARNING: This equipment has been tested and found to comply with the limits for a Class B digital device, pursuant to Part 15 of the FCC Rules. These Limits are designed to provide reasonable protection against harmful interference in a residential installation. This generates, uses and can radiate radio frequency energy and if not installed and used in accordance with the instructions, may cause harmful interference to radio communications. However, there is no guarantee that interference will not occur in a particular installation. If this equipment does cause harmful interference to radio or television reception, which can be determined by turning the equipment off and on, the user is encouraged to try and correct the interference by one or more of the following measures: - Reorient or relocate the receiving antenna - Increase the separation between the equipment and receiver - Connect the equipment to an outlet on a circuit different from that to which the receiver is connected - Consult the dealer or an experienced radio/TV technician for help.

Limited 30-day warranty

This product is warranted by Interactive Toy Concepts Ltd. against manufacturing defects in material and workmanship under normal use for thirty (30) days from the date of purchase. Please retain proof of purchase.
