

Thank you for purchasing a JVC product. Before operation, please read the instructions

## LVT2069-001B [US/UX/A]

## Warnings, Cautions and Others

- 1. Do not remove screws, covers or cabinet.
- 2. Do not expose this appliance to rain or moisture.

## CAUTION

disconnect the mains line.

Disconnect the mains plug to shut the power off completely

The MAINS plug or an appliance coupler is used as the disconnect device, the disconnect device shall remain readily operable.

©2009 Victor Company of Japan, Limited

To disconnect power from the mains, pull out the mains plug. When installing the product, ensure that the plug is easily accessible.

## CAUTION

- Do not block the ventilation openings or holes. (If the ventilation openings or holes are blocked by a newspaper or cloth, etc., the heat may not be able to get out.)
- Do not place any naked flame sources, such as lighted candles, on the apparatus.
- When discarding batteries, environmental problems must be considered and local rules or laws governing the disposal of these batteries must be followed strictly
- Do not expose this apparatus to rain, moisture, dripping or splashing and that no objects filled with liquids, such as vases, shall be placed on the apparatus.

## **CAUTION:**

Excessive sound pressure from earphones or headphones can cause hearing loss.

## IMPORTANT FOR LASER PRODUCTS I. CLASS 1 LASER PRODUCT

- 2. CAUTION: Do not open the top cover or cabinet. There are no user serviceable parts inside the unit:
- eave all servicing to qualified service personnel. 3. CAUTION: Visible and/or invisible class 1M laser radiation when open. Do not view directly with optical instruments
- 4. REPRODUCTION OF LABEL: CAUTION LABEL, PLACED INSIDE THE UNIT.

Rating label is placed on the exterior of the bottom.

## CAUTION:

Battery shall not be exposed to excessive heat such as sunshine, fire or the like.

## Connecting a TV

## Do not connect the power cord until a TV connections have been made.

Connect your TV with the video cord to the VIDEO OUT

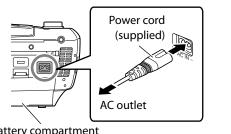

• When the source is DISC or USB, the sound comes out of the speakers of the device connected via the audio cord.

## Setting the color system

Select PAL or NTSC according to the TV system you use. See "SETUP MENU OPERATIONS".

## ( Connecting the power cord

Battery compartment

## NOTE

- The power can also be supplied through the batteries (see right column).
- A small amount of power is always consumed even while on standby.

## **CAUTION**

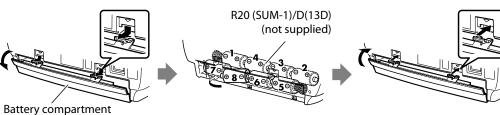

- Only use JVC power cord provided for this unit to avoid malfunction or damage to the unit. Remove batteries when using the power cord.
- Be sure to unplug the power cord from the outlet when going out or when the unit is not in use for an

  • If chemicals leak onto the unit, clean the unit completely. extended period of time.

## Inserting batteries

## Match the polarities (+ and –) of the batteries.

## Main unit

## Remote control

When you use the remote control for the first time, remove the battery protector sheet.

> Lithium coin battery(CR2025) (supplied)

 The battery has been installed when shipped from the factory.

• If the range or effectiveness of the remote control decreases, replace the battery.

- The power will not be supplied through the batteries when the power is supplied through the AC IN  $\sim$  iack on the unit
- The battery is consumed more quickly than usual when operating the unit continuously or operating it in a cold place.

## **CAUTION**

- To avoid battery leakage or explosion, handle batteries properly
- · Danger of explosion if battery is incorrectly replaced. Replace only with the same or equivalent
- If you are not going to use this unit for a month or more, remove the batteries from the battery compartment.
- Dispose of batteries in the proper manner, according to federal, state, and local regulations.
- Wrap the battery with tape and insulate when throwing away or saving it.
- Do not mix with batteries of different types or with new and old ones.
- Do not attempt to charge any batteries other than rechargeable ones.
- Discard leaky batteries immediately. Battery leakage can cause skin burns or other personal injuries.
