SUBJECT: Certification Approval
IC Certification No.: 282F-500000
User Notice Language Declaration Letter

To Whom It May Concern:

We, JVC KENWOOD Corporation hereby confirm that the user notices or statements to the user of equipment will be made available in both English and French at the time each unit of equipment model is offered for sale and/or lease in Canada.

Per RSP-100, Issue 11. 4. Required Notices to the User

Radio/broadcast products shall comply with the requirements to include required notices and/or statements to the user of the product for each unit of the product offered for sale. The required notices shall comply with the following requirements:

- The notices shall be as specified in the applicable RSS regulation(s) to the product.
- These notices shall be shown in a conspicuous location in the user manual for the product, or to be displayed on the product — variable formats are acceptable for providing the notices (i.e. in paper form, CD, DVD, or insert with download link on the company's website).
- If more than one notice is required for multiple product versions, the product version to which each notice pertains should be identified.
- The suppliers of radio equipment shall provide the notices and/or statements in both English and French.
- In cases where the user notifications are only available in one language (English or French) at the time of the certification process, the applicant shall provide a declaration in writing that the user notices and/or statements to the user of the product will be in both English and French when the product is for sale and/or lease in Canada.

Sincerely,

Tamaki Shimamura
