3 pairs eartips (S,M,L)  
3 pairs ear cushions (S,M,L)  
2 cord management clips  
USB Cable  
User Manual

CHARGING

Charging the battery before use is recommended but not required. BlueBuds X ships pre-charged however initial charge will vary.

Look for this Bluetooth headset battery status icon top right corner of your iPhone screen to see status of BlueBuds X battery.

VOICE PROMPT  
"BATTERY LOW"  
Repeated regularly  
15 mins prior to empty

MICRO USB CHARGING  
Locate fingernail recess and remove back cover to expose micro USB charge point. 2+ hrs for full charge gives 8 hours of playtime. 30 mins charging gives 90 minutes of play time.

LED STATUS

Red: Charging  
Green (with USB cable connected): Charged  
Red+Green Alternating: Pair Mode  
No Light: Standby / Play Mode / Powered Off

ARE HEADPHONES ON? IS BATTERY LOW?

In Standby\* mode, push + or -, watch LED:  
Green = Powered on and well charged  
Red = Low battery  
No Light = Powered off

\* Standby Mode:  
Powered on but not connected to any device

PAIRING (SETTING UP) HEADPHONES WITH YOUR PHONE / MUSIC DEVICE

1. With headphones turned off, & within 1 meter (3 feet) of music device, press & hold center key for more than 4 seconds until you see alternating red/green flashing of the status indicator and a voice prompt saying "Searching for your music device".
2. On your phone/music device, turn Bluetooth on & have it search for Bluetooth devices (see instructions in the phone/music device manual for details).
3. Check for "BlueBuds X" and select (enter passcode 0000 if prompted).
4. BlueBuds X voice prompt will say "headphones connected".
5. If the pairing is not successful, switch off headphones by pushing the center key for more than 4 seconds and repeat the steps outlined above.

PAIR MODE: LED ALTERNATES RED/GREEN

HOLD 4 SEC TO PAIR

VOICE PROMPT:  
When you hear "Power on" continue pushing until you hear "SEARCHING FOR YOUR MUSIC DEVICE ..."

PAIRING WITH A BLUETOOTH ADAPTER

1. Place headphones and mobile phone within 1 meter (3 feet) of each other.
2. Put the headphones into pair mode as outlined on prior page.
3. If using BAU Universal Bluetooth Adapter put into pair mode also (see BAU manual).
4. Plug the Bluetooth adapter into the music device and play a song.
5. The headphones and adapter will pair automatically (passcode of adapter must be 0000).
6. After successful pairing and connecting, the headphones will say "Headphones connected".

PAIRING WITH SEVERAL BLUETOOTH DEVICES

Paired devices will remember each other unless pairing information is deleted, so there is no need to pair again. BlueBuds X can pair and remember 8 phone/music devices. Repeat the steps outlined on prior pages to set-up your headphones with another phone/music device. Note that if a 9th phone/music devices is paired the oldest pairing information is deleted. BlueBuds X will connect with the latest connected device. If you want to use another paired phone/music device, switch off the Bluetooth function of the current Bluetooth device, and then connect it with the other phone/music device by selecting "BlueBuds X" in the Bluetooth device list and press connect. Turn the originally paired device back on to reconnect and switch between either of the devices.
