RE: USER'S MANUAL INFORMATION

To Whom It May Concern:

Johnson Controls Inc informs that for the following product:

FCC ID Number Product Title/Model

CB2MBLUEC09 Bluetooth device for Handsfree Telephone and Streaming Audio. /

JCI Bluetooth Module (BlueConnect), MAZ

The User's Manual is in preparation. The following information will be contained in the manual:

FCC ID: CB2MBLUEC07 IC: 279B-MBLUEC07

And the following Advisory Regulatory Concerns:

This device complies with Part 15 of the FCC Rules and with RSS-210 of Industry Canada. Operation is subject to the following two conditions:

- (1) This device may not cause harmful interference, and
- (2) This device must accept any interference received, including interference that may cause undesired operation.

WARNING: Changes or modifications not expressively approved by the party responsible for compliance could void the user's authority to operate the equipment.

The term "IC:" before the radio certification number only signifies that Industry Canada technical specifications were met.

The antenna used for this transmitter must not be co-located or operating in conjunction with any other antenna or transmitter. End-users and installers must be provided with installation instructions and transmitter operating conditions for satisfying RF exposure

If you have any queries, please do not hesitate to contact me.

Thanks for your co-operation and best regards,

Sincerely,

P.A.
