

Optical Wireless Mouse User Manual

Battery Installation

Note: The pictures shown in the User's Manual are for demonstration purposes only. Your product may look slightly different.

To properly install batteries into your Mouse, please follow the instructions below:

1. Remove the Battery Compartment Cover of your Mouse.

2. Install two AAA Batteries into your Mouse following the battery orientation guide in the battery bay and then replace the Battery Compartment Cover back onto your Mouse until it securely locks.

3. After the AAA Batteries have been installed into your Mouse properly, the sensor LED inside your Mouse will light up.

FCC WARNING

This device complies with Part 15 of the FCC Rules. Operation is subject to the following two conditions:

- (1) this device may not cause harmful interference, and
- (2) this device must accept any interference received, including interference that may cause undesired operation.

NOTE: The manufacturer is not responsible for and radio or TV interference caused by unauthorized modifications to this equipment. Such modifications could void the user's authority to operate the equipment.
