USB Charging Cable
User Manual

CHARGE IT

• Plug the micro USB cable into the micro USB port on the bottom of the right headphone, and connect the other end of the cable to either a computer USB port or a USB-compatible charger.
• A solid red LED light will appear to indicate when the headphones are charging, even while headphones are turned off.
• When charging is complete, the LED light will turn off.
• Charging time is approximately 1-2 hours.

PAIR & CONNECT WITH A NEW DEVICE

• With your headphones powered OFF, press & hold the "⏻" button for 2-3 seconds until the LED light flashes red and blue. Your headphones are ready to be paired.
• On your Bluetooth®-enabled device, navigate to the Bluetooth® settings menu, turn on the Bluetooth® feature, and search for new devices.
• After a few seconds you will see "MERKURY-BTH13" listed.
• Tap this model to select it. The LED will begin to slowly blink blue, and the headphones will emit a tone to indicate that it has been successfully paired with your device.

NOTE: You only need to pair your Bluetooth® device with the VERVE headphones once.
NOTE: If your device asks for a password to connect to the headphones, enter "0000."

PLAY

• Connect your device to the VERVE headphones via Bluetooth® (see "Pair & Connect with a New Device").
• Open your favorite music app and press play.
• Control the track & volume from your device, or using the in-line controls on the VERVE headphones. Press the "▶" button once to play/pause music & answer calls.
• Press the "+" or "-" button once raise/lower the volume on the headphones. Press and hold to skip to the next/previous track.
• All audio, including music, games, videos, and notifications will be routed through the VERVE headphones.

NOTE: Volume on your device and on the headphones are controlled separately.

RECONNECT WITH YOUR DEVICE

• Press & hold the "⏻" button on the VERVE headphones for 2-3 seconds.
• The headphones will power on, a blue LED light will flash, and will automatically reconnect to the last Bluetooth® device they were connected to.
• If you haven't paired the headphones to any device follow the steps in the "Pair & Connect" section.
• If the headphones don't auto-reconnect to your device, navigate to the Bluetooth® menu and tap "MERKURY-BTH13."

POWER OFF

• Press and hold power button for 2 seconds.
• The headphones and LED light will turn off.

⏻ Press & Hold (2-3 Sec.)
Power on the headphones and automatically reconnect with last connected Bluetooth® device, or power off the headphones.
