

## **The Instruction for the Remote Control**

### **(SFD-K-16-A, SFD-K-16-B)**

**Press any button:** back light will automatically turn on or off by itself in 5 seconds. The timing light will automatically turn off, timing memory remains unchanged.

**Press ON/OFF button:** foot or head massage, the massage unit will start or stop.

**Press TIMER button:** this will set the massage timer in 10 minute intervals with each press of the button (10, 20, 30 minutes). When the timing is over, all massage motors will automatically stop. There are three red timing lights. The first light indicates 10 minutes. The second one indicates 20 minutes. The third one indicates 30 minutes.

**Press ALL OFF button:** all the vibrating motors will stop working.

**Press HEAD button:** control the rise and fall of the headboard.

**Press FEET button:** control the rise and fall of the footboard.

**Press FLAT button:** under any position, the bed will return to flat position.

**Press ZERO G:** return to the ZERO G position automatically.

**Press M1, M2, M3 button:** to choose vibrating strength.

**Adjust the frequency:** adjust the frequency code could set 16 different frequencies.
