User Manual

Thank you for your purchase of this Hip Street Bluetooth Multimedia Keyboard Case for iPad and we hope you enjoy using it. Please visit our website at www.hipstreetonline.com.

Please ensure that you fully read and understand the information within this instruction manual prior to using your product. It is advised that you keep this instruction manual in a safe place for future reference. We sincerely hope that this high quality product offers you endless hours of entertainment.

Positioning the iPad

The iPad is to be positioned in landscape (horizontal) mode only. Do not position the iPad in portrait (vertical) mode.

Important safety precautions

- Always follow these basic safety precautions when using your keyboard. This will reduce the risk of product damage and personal injury.
- Do not disassemble, repair or modify the keyboard by yourself. Refer servicing to qualified personnel.
- Do not dispose of the keyboard in extreme heat to avoid explosion.
- Keep the keyboard away from direct sunlight or heat source.
- Do not expose the unit to rain or moisture to avoid any malfunction.
- Do not use the keyboard in a rather dry environment to avoid static.
- Never apply heavy impact on the keyboard like dropping it or placing it on a magnet.
- Clean only with a dry cloth. Make sure the keyboard is turned off before cleaning. Do not use liquid cleanser.

Product and Battery Disposal

This product contains a built-in lithium battery and should not be disposed of in normal household waste. For disposal and recycling, please contact your local waste management authorities.

The recycling and processing of electronic waste will make a significant contribution towards helping protect the environment.

Charging your keyboard case

Using the provided USB cable, plug the mini USB end into the side of the keyboard case. Plug the other end into a powered USB port on a computer. While charging, the Charge indicator light will illuminate red in colour. Once charging is complete the indicator light will turn off.

Note: If the Charge light is blinking while the keyboard case is in use, it is indicating that the power level is low and will need to charge.

Power on the keyboard case and pair with iPad

The keyboard case should only need to pair to your iPad once as follows:

1. Slide the power switch to the ON position. The Bluetooth indicator light will illuminate for a brief moment.
2. On the iPad, select **Settings > General > Bluetooth > On** position.
3. Press the connect button on the keyboard case and the Bluetooth light will start to flash.
4. Once the list of Devices is shown, select **Hipstreet Keyboard**
5. A pop up window will appear prompting you to enter a code on the keyboard case.
6. Enter the 4 digit code on the keyboard case and press Enter
7. The iPad will show the keyboard case as Connected
8. The keyboard case is now ready to use
9. The USB port only uses for charging.

Special function keys

The keyboard case is equipped with iPad function and multimedia keys along the top.

Storing the iPad with the keyboard case

When traveling or storing the keyboard case with iPad, place the iPad face down onto the keyboard case until clicked in.

When removing the iPad from the keyboard case, place the iPad / keyboard case on a non-slip surface and carefully separate the two. DO NOT separate while standing or without placing it on a secure non-stick surface in case you accidentally drop the units.

Energy Saving Sleep Mode

While powered on, the keyboard case will enter into sleep mode when inactive for approximately 15 minutes. To deactivate the sleep mode, press any key and the keyboard case will become active in approximately 3 seconds.

The keyboard case will also automatically sleep and wake your iPad when clicked in face down for storage and removed.
