(10 x 15 cm)

20" x 30"
(50 x 76 cm)

3X optical zoom

Get in close and capture crisp details with the CX7530 3X optical zoom.
Capture crisp details with the KODAK RETINAR Aspheric All-Glass Lens
3X optical zoom lets you get closer to your subject without losing image quality
5X advanced digital zoom
Multi-zone auto-focus with enhanced low-light performance for razor-sharp images

Point-and-shoot simplicity

Powerful and loaded with features, but easy enough for anyone to use.

Preview and review your pictures with the high resolution 1.8" indoor/outdoor color display

Auto picture-rotation lets you review vertical shots vertically

Built in flash – auto, red-eye, fill, off – for the right light every time

1X-8X magnify for a closer look

Multi-up images to compare shots

Fast scroll to edit, tag or delete pictures quickly

Protect pictures from accidental erasure

10-second self-timer lets you get in the picture too

Print directly from your camera to any PictBridge compatible printer

32 MB internal memory plus MMC/SD expansion slot lets you start shooting right out of the box

9 scene and color modes

Easy-to-access scene modes for consistently great shots DX7530 has a mode for almost any situation! You will get the shots you want.

Automatic mode – optimal setting for most standard situations

Night mode – ideal for night scenes or low light situations

Landscape mode – ensures maximum sharpness for distant scenes

Close-up mode – captures sharp, full-frame images at close range

Burst mode – lets you take up to 4 pictures in quick succession

Portrait mode – places subject in sharp focus, softens background

Sport mode – captures the action without blurring

Explore your creative options with 3 color modes.

Color
Sepia
Black and white

TV-quality video with audio

Catch all the action with TV-quality (VGA) continuous video featuring audio playback.
- Limited by capacity of memory card
- 640x480 pixels resolution with 13 fps with MPEG-4 compression
- Go from still photos to video at the touch of a button
- Video cables for easy hook-up right to your TV
- QuickTime video format allows for universal sharing

Sharing is one-touch simple

The CX7530 is part of the KODAK EASYSHARE System, so sharing your pictures is one-button simple. Just press Share.

On-camera Share button
- Simple sharing starts right on the back of the camera
- Exclusive on-camera Share button, lets you tag your favorite pictures to print or email later
- On-camera picture collection to hsare your pictures anytime, anywhere using the Favorites feature.

KODAK EASYSHARE Software
- The CX7530 includes KODAK EASYSHARE Software
- Works seamlessly with EASYSHARE Cameras and Docks to enable one-button transferring and sharing
- The easy way to view, edit, organize, print or view a slide show from your computer
- Exclusive One Touch to Better Pictures feature automatically adjusts the settings on your inkjet printer to give you traditional quality photos when printing on KODAK Inkjet Photo Papers

KODAK EASYSHARE Camera Dock 6000 (optional accessory)
- Transfer button instantly uploads pictures to your computer for viewing, printing and emailing
- Also charges your camera battery in less than 3.5 hours

KODAK EASYSHARE Printer Dock (optional accessory)
- Prints real Kodak borderless 4"x6" (10x15 cm) photos in less than 2 minutes
- Print with or without a computer
- Transfers pictures and charges battery just like the Camera Dock

Compatible with PictBridge-enabled printers
- Print directly from the CX7530 to any PictBridge-enabled printer to add additional flexibility and ease.

Ready to go – right out of the box

Unpack the camera and you're ready to go. Digital doesn't get any easier than this.
