PRECAUTIONS BEFORE USE

- This production is suitable for use in non-tropic areas below 2,000 meters, and the mark in the nameplate indicates the product is suitable for use in non-tropic areas.
- Do not drop or shake the Tablet PC.
- Do not use the Tablet PC in extreme temperatures, or in humid or dusty environments. Do not expose the Tablet PC to sunlight.
- Avoid use of the Tablet PC near strong magnetic fields as much as possible.
- Once any water or other liquid splashes onto the Tablet PC, turn it off immediately and do not use until it dries out.
- Do not clean the Tablet PC with any detergent containing chemical element or other liquid to avoid causing damage due to corrosion and becoming damp. If cleaning is really necessary, clean with dry soft cloth
- Kogan.com does not bear any and all responsibilities for loss or deletion of material inside the machine caused due to abnormal software and hardware operation, maintenance or any other accident.
- Please back up your important data to an external device regularly to avoid loss.
- Please do not disassemble the Tablet PC by yourself; doing so will void the warranty.
- This product supports the majority of 3G Dongles. We cannot guarantee complete compatibility with all 3G Dongles.
- Quick Use Guide and software may be updated at any time. For updated software version, visit www.kogan.com
- Replacement with incorrect type batteries may cause explosion. Make sure to use original batteries.
