Safety & Warranty

MBM00000000 (1.0) G
Printed in Korea

Safety information

Before turning on your product, review the basic safety information provided here.

For online help and support, visit **support.google.com/XXXXXX**.

General safety & handling

While using your product, be aware of the following common-sense guidelines.

Your environment

- **Safe operating temperatures.** Do not use or store in ambient temperatures lower

than -20°C (-4°F) or higher than 50°C (122°F).

- **In automobiles.** Do not leave your product or set up the hands-free kit near the air bag. If wireless equipment is improperly installed and the air bag is deployed, you may be seriously injured.
- **Around explosives.** Do not use in areas where sparks from the product might cause a fire or explosion.
- **On airplanes.** Observe all rules and instructions for use of electronic devices. Most airlines allow electronic use only between and not during takeoffs and landings. There are three main types of airport security devices: X-ray machines

(used on items placed on conveyor belts), magnetic detectors (used on people walking through security checks), and magnetic wands (hand-held devices used on people or individual items). You can pass your product through airport X-ray machines. But do not send it through airport magnetic detectors or expose it to magnetic wands.

Safety tips

To avoid damaging your product and reduce the risk of fire or electric shock, explosion, or other hazards, observe these common-sense precautions:

- Use only with cables, chargers, and other accessories approved by LG.
- Do not drop, strike, or shake your product.
- Do not damage the power cord by bending, twisting, pulling, heating, or placing heavy items on it.
- This product is equipped with a USB cable for connecting to a desktop or notebook computer or to the charger. Be sure your computer is properly grounded before connecting your product to the computer. The power supply cord of a desktop or notebook computer has an equipment-grounding conductor and a grounding plug. The plug must be plugged into an appropriate outlet that is properly

installed and grounded in accordance with all local codes and ordinances.

- Do not attempt to repair or modify or remanufacture the product . It is equipped with an internal rechargeable battery, which should be replaced only by LG or an authorized LG repair center.
- Do not open, disassemble, crush, bend or deform, puncture, or shred the product.
- Do not insert foreign objects into the product.
- Do not place the product in a microwave oven.
- Do not expose the product to fire, explosion, or other hazards.

- Clean with a soft, damp cloth. Don't use harsh chemicals (such as alcohol, benzene, or thinners) or detergents to clean your product.
- Do not handle the product with wet hands or immerse or expose to water or other liquids.
- Dispose of your product and battery separately from household waste and in accordance with local regulations.
- Like many electronic devices, your product generates heat during normal operation. Extremely prolonged, direct skin contact in the absence of adequate ventilation may result in discomfort or minor burns. Therefore, use care

when handling your product during or immediately after operation.

Battery warnings

- Do not attempt to remove or replace the battery yourself. Only a service provider authorized by LG should replace the battery, which must meet the standard IEEE 1725.
- Use only with a charging system that has been qualified per CTIA Certification Requirements for Battery System Compliance to IEEE 1725. Use of an unqualified battery may present a risk of fire, explosion, leakage, or other hazard.

- Use the correct adapter when using the battery charger in a country or region where the adapter that comes with your product doesn't fit the power outlets.
- The charger and adapter are intended for indoor use only.
- Make sure that no sharp-edged items, such as an animal's teeth or nails, come into contact with the battery.
- Do not expose the battery charger or adapter to direct sunlight or use it in places with high humidity, such as a bathroom.
- Do not place or answer calls while charging the product. Doing so may short-

circuit the product and/or cause electric shock or fire.

- To avoid electric shock or fire, unplug the power cord and charger during lightning storms.
- Do not open, disassemble, crush, bend or deform, puncture, or shred the battery.
- Do not modify or remanufacture, attempt to insert foreign objects into the battery, immerse or expose to water or other liquids, or expose to fire, explosion, or other hazard. Such conditions may present the risk of fire or explosion.
- Avoid dropping the product, especially on a hard surface, or exposing the product

or battery to a liquid. If the product is exposed to a liquid or comes into contact with a sharp object, take it to a service center for inspection.

- At least one battery authentication method has been implemented: hardware, software, mechanical, hologram, etc.
- Improper battery use may result in a fire, explosion, or other hazard.
- Do not allow children to charge the battery or use the adapter without adult supervision.
- To avoid wasting power, unplug the adapter from the power outlet after the product is fully charged.

Pacemakers and other medical devices

Persons with pacemakers should:

- ALWAYS keep the product more than six (6) inches from their pacemaker when the product is turned ON.
- Not carry the product in a breast pocket.
- Use the wrist opposite the pacemaker to minimize the potential for RF interference.
- Turn the product OFF immediately if there is any indication that interference is taking place.

If you use any other personal medical device,

consult your physician or the manufacturer of your device to determine if it is adequately shielded from external RF energy.

Exposure to radio frequency (RF) energy

In August 1996, the U.S. Federal Communications Commission (FCC), with its action in Report and Order FCC 96-326, adopted an updated safety standard for human exposure to Radio Frequency (RF) electromagnetic energy emitted by FCC-regulated transmitters. The design of this product complies with the FCC guidelines and these international standards.

product is on file with the FCC and can be found under the Display Grant section of <http://transition.fcc.gov/oet/ea/fccid/> after searching on FCC ID ZNFXXXX. Additional information on Specific Absorption Rates (SAR) can be found on the Cellular Telecommunications Industry Association (CTIA) website at <http://www.ctia.org/>.

US/Canada declarations of conformity

This equipment has been tested and found to comply with the limits for a class B digital device, pursuant to Part 15 of the FCC rules. These limits are designed to provide

LG-W100

reasonable protection against harmful interference in a residential installation. This equipment generates, uses, and can radiate radio frequency energy and, if not installed and used in accordance with the instructions, may cause harmful interference with radio communications. However, there is no guarantee that interference will not occur in a particular installation. If this equipment does cause harmful interference or television reception, which can be determined by turning the equipment off and on, you can try to correct the interference by one or more of the following measures:

- Reorient or relocate the receiving antenna.

- Increase the separation between the equipment and receiver.
- Connect the equipment into an outlet on a circuit different from that to which the receiver is connected.
- Consult the dealer or an experienced radio/TV technician for help.

Part 15.21 statement: Changes or modifications to this product not expressly approved by LG could void your authority to operate your product.

Part 15.19 statement (U.S.) and RSS General Requirement: This device complies with part 15 of the FCC rules. Operation is subject to the following two conditions:

- (1) This device will not cause harmful interference; and
- (2) This device must accept any interference received, including interference that may cause undesired operation.

EU declarations of conformity

This product complies with the requirements of the following Directives and carries the CE mark accordingly: R&TTE Directive 1999/5/EC and RoHS Recast Directive 2011/65/EU.

CE 0168

WARNING

This product contains the following chemicals known to the State of California to cause cancer and birth defects or reproductive harm:

- Nickel
- Toluene
- Methyl isobutyl ketone
- Carbon particles of respirable size

Limited Warranty Statement

1. WHAT THIS WARRANTY COVERS:

LG offers you a limited warranty that the enclosed subscriber unit and its enclosed accessories will be free from defects in material and workmanship, according to the following terms and conditions:

1. The limited warranty for the product extends for TWELVE (12) MONTHS beginning on the date of purchase of the product with valid proof of purchase.
2. The limited warranty extends only to the original purchaser of the product and is not assignable or transferable to any

subsequent purchaser/end user.

3. This warranty is good only to the original purchaser of the product during the warranty period as long as it is in the U.S., including Alaska, Hawaii, U.S. Territories and Canada.
4. The external housing and cosmetic parts shall be free of defects at the time of shipment and, therefore, shall not be covered under these limited warranty terms.
5. Upon request from LG, the consumer must provide information to reasonably prove the date of purchase.

2. WHAT THIS WARRANTY DOES NOT COVER:

1. Defects or damages resulting from use of the product in other than its normal and customary manner.
2. Defects or damages from abnormal use, abnormal conditions, improper storage, exposure to moisture or dampness, unauthorized modifications, unauthorized connections, unauthorized repair, misuse, neglect, abuse, accident, alteration, improper installation, or other acts which are not the fault of LG, including damage caused by shipping, blown fuses, spills of food or liquid.

3. Breakage or damage to antennas unless caused directly by defects in material or workmanship.
4. That the Customer Service Department at LG was not notified by consumer of the alleged defect or malfunction of the product during the applicable limited warranty period.
5. Products which have had the serial number removed or made illegible.
6. This limited warranty is in lieu of all other warranties, express or implied either in fact or by operations of law, statutory or otherwise, including, but not limited to any implied warranty of marketability or

fitness for a particular use.

7. Damage resulting from use of non-LG approved accessories.
8. All plastic surfaces and all other externally exposed parts that are scratched or damaged due to normal customer use.
9. Products operated outside published maximum ratings.
10. Products used or obtained in a rental program.
11. Consumables (such as fuses).

3. STATE LAW RIGHTS:

No other express warranty is applicable to this product. THE DURATION OF ANY IMPLIED WARRANTIES, INCLUDING THE

IMPLIED WARRANTY OF MARKETABILITY OR MERCHANTABILITY OR FITNESS FOR A PARTICULAR PURPOSE, IS LIMITED TO THE DURATION OF THE EXPRESS WARRANTY HEREIN. LG SHALL NOT BE LIABLE FOR THE LOSS OF THE USE OF THE PRODUCT, INCONVENIENCE, LOSS OR ANY OTHER DAMAGES, DIRECT OR CONSEQUENTIAL, ARISING OUT OF THE USE OF, OR INABILITY TO USE, THIS PRODUCT OR FOR ANY BREACH OF ANY EXPRESS OR IMPLIED WARRANTY, INCLUDING THE IMPLIED WARRANTY OF MARKETABILITY OR MERCHANTABILITY OR FITNESS FOR A PARTICULAR PURPOSE APPLICABLE TO THIS PRODUCT.

Some states do not allow the exclusive limitation of incidental or consequential damages or limitations on how long an implied warranty lasts; so these limitations or exclusions may not apply to you. This warranty gives you specific legal rights and you may also have other rights which vary from state to state.

4. HOW TO GET WARRANTY SERVICE:

To obtain warranty service, visit the LG service center website at **<http://us.lgservice.com>** for details of customer care.

5. LG SERVICE WEB SITE

7.11 WARRANTY LAWS

The following laws govern warranties that arise in retail sales of consumer goods:

- The California Song-Beverly Consumer Warranty Act [CC §§1790 et seq],
- The California Uniform Commercial Code, Division Two [Com C §§2101 et seq], and
- The federal Magnuson-Moss Warranty Federal Trade Commission Improvement Act [15 USC §§2301 et seq; 16 CFR Parts 701– 703]. A typical Magnuson-Moss Act warranty is a written promise that the product is free of defects or a written promise to refund, repair, or replace defective goods. [See 15 USC §2301(6).] Remedies include damages

for failing to honor a written warranty or service contract or for violating disclosure provisions. [See 15 USC §2310(d).] Except for some labeling and disclosure requirements, the federal Act does not preempt state law. [See 15 USC §2311.]

The Consumer Warranty Act does not affect the rights and obligations of parties under the state Uniform Commercial Code, except the provisions of the Act prevail over provisions of the Commercial Code when they conflict. [CC §1790.3.]

For purposes of small claims actions, this course will focus on rights and duties under the state laws.
