

USER MANUAL

Model : PWMA-W637A/B/C

COMPONENTS

Charger

Adapter

Manual

HOW TO USE

1. Please connect the charger and the enclosed adapter.

2. Place a mobile supported wireless charging on the center of the product.
*For fast charging, you must use a terminal that supports fast charging.

3. Charging begins when the green LED is lit.
4. The red LED lights up when charging is not in progress.
In this case, follow the instructions below
 - Re-mount the terminal.
 - If the red LED repeats after re-mounting, There is a problem that charging area is different for each terminal.

Move the terminal up and down to find the charging location

- **FCC NOTICE TO USER**

This device complies with part 15 of the FCC Rules. Operation is subject to the following two conditions: (1) This device may not cause harmful interference, and (2) this device must accept any interference received, including interference that may cause undesired operation.

Changes or modifications not expressly approved by the manufacturer (or party responsible) for compliance could void the user's authority to operate the equipment.

To comply with the FCC RF exposure compliance requirements, no change to the antenna or the device is permitted. Any change to the antenna or the device could result in the device exceeding the RF exposure requirements and void the user's authority to operate the device.

This equipment should be installed and operated with a minimum distance of 20 cm between the radiator and your body.

PRODUCT SPECIFICATION

Model	Wireless charger (PWMA-W637A/B/C)
Operation Temperature	0℃~40℃
Size/Weight	97mm x 97mm x 13.95mm / T.B.D
Rated voltage	Input : 12V DC, Max 2A
	Output : 5V/9V/12V, Max 3/1.67/1.25A

PRODUCT WARRANTY

Specification

- Device name : Weak field strength radio equipment
- Model : PWMA-W637A/B/C
- Certification Number :
- Manufacturer : LG INNOTEK Co., Ltd.
- Country of Manufacture : CHINA
- Date of manufacture : Labeling separately
- Sales :

Warranty & A/S	The warranty period is one year.
	If a product malfunctions, please contact the customer center and get service.
	- AS Center :
	- Return :
	- Business hours :
	- A/S is not available except designated service center. (LG Electronics Service Center is not available for A/S.)

FCC Part 15.19

This device complies with part 15 of the FCC Rules. Operation is subject to the following two conditions:

(1) This device may not cause harmful interference, and (2) this device must accept any interference received, including interference that may cause undesired operation.

FCC Part 15.21

Any changes or modifications (including the antennas) to this device that are not expressly approved by the manufacturer may void the user's authority to operate the equipment.

FCC RF Radiation Exposure Statement:

This equipment complies with FCC RF Radiation exposure limits set forth for an uncontrolled environment. This device and its antenna must not be co-located or operating in conjunction with any other antenna or transmitter. This equipment should be installed and operated with a minimum distance of 20 cm between the radiator and your body.
