Is it a TV? Or something better?

Get beautiful HD and the superior plasma contrast you're looking for with the PJ350. If you think plasma means a bulky frame or power inefficiency, take a second look with the PJ350. It has a TruSlim Frame that makes for a sleek design and its Intelligent Sensor technology and Smart Energy Savings makes sure it's using only the energy it needs.

Capture every moment. Tired of streaky action or unclear plays during the game? See sports, fast action and video games like never before. The 600Hz refresh rate virtually eliminates motion blur.

See and experience more. Pictures are sharper. Colors are more vibrant. Entertainment is more real. Everything looks better on an HDTV.

Stunning detail. No more worrying about dark scenes or dull colors. The Mega Contrast ratio of 3,000,000:1 delivers more stunning colors and deeper blacks than you can imagine.
