

LG FLUID™

Open up to Easy Conversation

Everyone loves a good conversation and these customers are no different. In fact, that is exactly what they're looking for—the ability to have a simple chat, whenever they want. They don't need a complicated device, and just want a simple phone that they're comfortable using to easily stay in touch with friends and family.

LG Fluid is the flip phone they're searching for, able to provide all the necessities—such as voice calling or the occasional text messaging—without excessive extras. Plus, it has a convenient camera to document the simple things in life. It's exactly what they need and nothing more. Pocketable, personal, and perfect.

Flipping Good Looks

Sleek, stylish, and compact, this phone is ready for its unveiling day or night. Able to flip open for in-hand comfort or close shut for easy convenience, LG Fluid is made to be seen, inside and out.

Quick Communication

Keep connected to loved ones with a personal touch, send text messages with colorful photos or voice memos, and connect with everyone in the quickest and most convenient way.

Memories Worth Saving

Unexpected surprises pop up without notice, and now they can be captured with the 1.3 MP Camera. And with Image Editor, memories can be zoomed in on, brightened, and even intensified.

Up to the Minute

Never feel behind the times while out and about because Fluid provides your most essential information whenever you need it with online browsing via the Mobile Web.

Life Short Cuts

Scrolling through a contact list to place a call is as tedious as flipping through a phone book. With Favorite Contacts, access up to 10 most called friends and family immediately.
