

Slide Into Your Social Life

LG Xpression™ 2

Connect and create with LG Xpression 2. Now, everything can be as easy as it seems; keeping in touch with family and friends no matter where you go, browsing the web, and capturing unforgettable moments is as simple as powering on. Plus, the convenient QWERTY keyboard drops down for quick messaging and slides closed for a pocket-perfect fit. Express yourself the best way you know how, with LG Xpression 2 in the palm of your hand.

3.0" WQVGA Touch Screen

Tap into action. LG Xpression 2's vibrant and clear touch screen responds quickly and accurately to your fingers, providing instant access to favorite and frequently used features.

Slide-Out QWERTY

Live at QWERTY speed. The keyboard allows swift, easy messaging with drop down convenience and dedicated keys to shortcuts like texting, email messaging, and web browsing.

2 MP Camera plus Camcorder

Take moments to go. Capture your family and friends at their absolute best using the camera and camcorder with zoom capabilities. Plus, Night Mode makes every 'out on the town' memory sharp.

Mobile Web

Keep current. You are constantly out and about, requiring Internet access to keep you connected. With Mobile Web, you can stay in the loop while updating and posting to all of your social networks.

Music Player

Tune it up. When you're walking down the street, multitasking at every moment, do you ever think there should be a soundtrack to your life? Now with Xpression 2's Music Player, there can!
