## Front Load Washers

### Ultra Capacity

4.2 cu.ft. Ultra Capacity is among the largest washers available. This allows for larger loads saving you time and energy.

### Large Door Opening

The 15.8" extra large door opening is one of the largest openings available. This allows for a spacious opening for easier access for loading and unloading clothes and bulky items.

### Intelligent Electronic Controls with Dual LED Display and Dial-A-Cycle™

Intuitive controls take the guesswork out of doing laundry allowing you to 'set it and go'.

### Stackable or Side by Side?

Your choice. Less space? Try stacking the washer and dryer. More space? Place them side by side or under a counter. Don't want to bend down so far to load or unload clothing? Add our 13.7" high drawer pedestals. They're also a great place to store laundry detergent supplies.
