IMPORTANT NOTICE REGARDING YOUR CONSUMER RIGHTS

The benefits we give in this manufacturer's warranty are **additional to** any rights and remedies that you may have under local consumer protection laws. Nothing in this warranty limits or affects your legal rights. This manufacturer's warranty is governed by the laws of the country in which you purchased your Belkin, Linksys or Wemo product. In many countries, consumers have rights under local consumer laws. Those consumer rights may differ between countries, states and provinces, and often cannot be excluded. Your local consumer rights organization can advise you on your legal rights.

For example, in Australia and New Zealand our goods come with certain guarantees that cannot be excluded under the Australian Consumer Law and the Consumer Guarantees Act 1993 (CGA) respectively. You are entitled to a replacement or refund for a major failure and compensation for any other loss or damage. You are also entitled to have the goods repaired or replaced if the goods fail to be of acceptable quality and the failure does not amount to a major failure. The CGA does not apply where the goods you purchased are to be used for business purposes.

This manufacturer's warranty is not intended to:

- change or exclude any rights under consumer law that cannot be lawfully changed or excluded; or
- limit or exclude any right you have against the person who sold the Belkin, Linksys or Wemo product to you if that person has breached their sales contract with you.

WHAT DOES THIS WARRANTY COVER?

Belkin warrants that the product hardware and any software media (i.e. media on which the product software is provided) will be free from defects in materials and workmanship under normal use during the Warranty Period described below. This means that the product won't be faulty, and that it will look and work as advertised, during the relevant period.

How long is the product warranted?

Belkin warrants that the hardware in this Belkin, Linksys or Wemo product, and any associated software media, will be free from defects in materials and workmanship under normal use during the Warranty Period. The Warranty Period begins on the date the product was purchased by the original end-user purchaser and lasts for the period set out in the table below:

Product Type	Warranty Period
New products	3 years
Repaired or replacement* products	The longer of the original Warranty Period or 30 days
Software media (if provided with the product)	90 days

* If you are a consumer in the People's Republic of China, your replacement product will be warranted for the Warranty Period for new products.

A claim under this warranty is only eligible if it is made within the Warranty Period.

What isn't covered?

Belkin does not give any warranty:

- in relation to software or services, provided by Belkin or any third party, included in or with the product;
- that the product, software or services will always operate uninterrupted or error free;
- that the product, software or services, or any equipment, system or network on which the product, software or services are used are 100% secure and cannot be hacked; or
- that a third-party service the product needs will always be available.

Note: Although Belkin does not make these promises in this warranty, you may have additional rights under consumer laws.

Will this warranty always apply?

This warranty is only valid and enforceable in the country of purchase.

Other than in the European Economic Area (EEA) and Switzerland, this warranty is only valid and enforceable in the country of purchase. If this Belkin product is purchased in the EEA and Switzerland, this warranty is only valid and enforceable in the EEA and Switzerland and may be redeemed anywhere in the EEA and Switzerland.

This warranty does not apply if:

- the warranty claim was made fraudulently or by misrepresentation;
- the product was not installed, operated, repaired, or maintained in accordance with Belkin's instructions;
- the product has been subjected to abnormal physical or electrical stress, misuse, negligence, or accident;
- damage to the product is cosmetic, including scratches and dents, or defects caused by normal wear and tear or normal aging of the product;
- the serial number on the product has been altered, defaced, or removed; or
- the product was supplied or licensed for beta, evaluation, testing or demonstration purposes, and you didn't buy or license the product.

Note: Although this warranty doesn't apply in these situations, you may have additional rights under consumer laws.

How will Belkin make things right?

If you make an eligible claim under this warranty, Belkin will, at its election:

- repair the product with new or refurbished parts, or pay the reasonable costs of repairing the product;
- replace the product with a reasonably available equivalent new or refurbished Belkin, Linksys or Wemo product; or
- refund you the purchase price of the product, minus any rebates and discounts.

Any repaired or replacement products are warranted for the remainder of the original Warranty Period or 30 days, whichever is longer. However, if you are a consumer in the People's Republic of China, your replacement product will be warranted for the Warranty Period for new products. All products and parts that are replaced become the property of Belkin.

Note: The rights and remedies outlined above are the only rights and remedies available under this warranty. However, you may have additional rights under consumer laws.

GENERAL EXCLUSIONS AND LIMITATIONS OF LIABILITY

In some jurisdictions and circumstances, it is possible for a manufacturer to change or exclude warranties, conditions or guarantees implied or imposed by law, and to otherwise limit its liability to consumers. In those jurisdictions where it can lawfully do so, and to the full extent that it is allowed by law to do so, Belkin:

- excludes all other express, statutory or implied conditions, representations and warranties, including but not limited to any implied warranties of non-infringement, merchantability, acceptability, satisfactory quality, title, fitness for a particular purpose, loss of or damage to data, lack of viruses or free from virus or malware attack, security, performance, lack of negligence, workmanlike effort, quiet enjoyment, that the functions contained in the product will meet your requirements, or that defects in the product will be corrected, or that your use of the product will generate accurate, reliable, timely results, information, material or data;
- excludes all liability for the loss of, or damage to, data caused by use of a Belkin, Linksys or Wemo product, or its repair;
- excludes any liability it may have to you for:

- a) loss of revenue or profit,
 - b) loss of the ability to use any third-party products, software or services, and
 - c) any indirect, consequential, special, incidental or punitive loss or damages, which arises under any law (including the law of negligence) and relates to your use, or inability to use a Belkin, Linksys or Wemo product or software, or any related services. This exclusion applies even if Belkin has been advised of the possibility of such damages and even if any warranty or remedy provided under this manufacturer's warranty fails of its essential purpose; and
- limits its monetary liability to you, under any law, to the price that you paid for the Belkin, Linksys or Wemo product.

If a warranty cannot be excluded or disclaimed, it is limited to the duration of the relevant express warranty period. References in this Section to "special, indirect, consequential or incidental losses" shall mean any losses which (i) were not reasonably foreseeable by both parties, and/or (ii) were known to you but not to us and/or (iii) were reasonably foreseeable by both parties but could have been prevented by you such as, for example (but without limitation), losses caused by viruses, Trojans or other malicious programs, or loss of or damage to your data. In addition, please take note that no oral or written information or advice given by Belkin, a dealer, agent or affiliate shall create a warranty.

Note: None of the above general exclusions and limitations of liability apply to persons in Australia who purchase Belkin, Linksys or Wemo goods that:

- a) are of a kind ordinarily acquired for personal, domestic or household use or consumption; or
- b) have a price of A\$40,000 or less.

If any term is held to be illegal or unenforceable, the legality or enforceability of the remaining terms shall not be affected or impaired.

您也可以根據本保固或任何適用之消費者保護法，與 Linksys 或 Belkin 技術支援聯繫，提出保固權利要求。如需取得我們的聯絡方式，請按一下 <http://Linksys.com> 或 <http://www.belkin.com> 網站首頁上的「聯絡我們」。

若我認為我的產品有瑕疵且在本保固的範圍內時，我應如何處理？

您需要透過以上連結，聯絡您所在區域的技術支援。為方便我們提供協助，聯絡我們時，您需要提供一些資訊：

- 您的產品型號、硬體版本及序號；
- 您的網際網路服務提供者 (ISP) 名稱；及
- 您的購買證明，必須附有購買日期及地點。您必須出示標明日期的原始購買證明，我們才能受理保固權利要求。

我們有時會需要您將產品寄回給我們，以便進行修理或更換。若我們要求您以郵寄方式寄回產品，我們會提供您一個退貨授權 (RMA) 編號，並告知您將產品寄至何處。

您必須確保產品適當包裝並寄出。您必須自行負擔將產品送還給我們的運送費用。但是，若您是中華人民共和國境內的消費者，前面這一句對您不適用。

為了能在產品送達時進行識別，您需要將 RMA 編號及標有購買日期的原始購買證明之影本（請保留正本）隨同產品一併寄回。我們也建議您以掛號及保價郵件方式或隔夜快遞方式寄回包裹，以便在運送過程中提供保障。在某些國家／地區，我們可能會要求您將有缺陷的產品退回至您購買的地點。

產品退回後，會發生什麼事？

在本保固涵蓋範圍內之瑕疵產品將免費獲得維修或更換，或者 Belkin 也可能在扣除任何回饋或折扣之後，退還剩餘的產品購買價格給您。由 Belkin 全權決定要提供何種補償措施。

我們僅能將更換或修復之產品寄送到產品原始購買國家。

為維修或更換產品，Belkin 可能需要刪除全部或部分資料。在提供保固服務的過程中，Belkin 也可能會安裝軟件更新程式。將產品寄回進行維修或更換之前，請務必將產品上的所有資料備份。對於保固服務所造成的任何資料或軟件遺失，BELKIN 概不負責。

保固範圍之外的更換或是您的法定消費者權利可能因購買地而被拒絕，或是需額外付費。
