HANDIMark™

Portable Label Maker

Create On the Spot Labels for Whatever Spot You're In

Now there's a powerful new marking system that lets you create custom labels wherever you need them. In the office, throughout the plant, *or* even in the field – portable HandiMark™ “tags along” with you to ensure a safer working environment – no matter what spot you're in.

Best of all, HandiMark fits in the palm of your hand. It's lightweight and runs on a rechargeable battery or AC power supply giving you the flexibility and convenience of taking the unit along wherever labeling is needed.

Limitless Applications Mean Real Value

Whether you need custom office labeling or facility and safety identification, HandiMark does it all right where you need it *and* at a surprisingly affordable price. Create pipe markers, valve tags, maintenance labels, equipment labels, instruction labels, warehouse labels, safety labels, and more.

Link to Your PC

HandiMark is also compatible with Brady's VersaLabel™ software. This software provides a link to your PC giving you the flexibility to add logos and make other custom labels from your computer data.

When it comes to safety and ID marking, with Brady's powerful new HandiMark — a well-labeled workplace is safely in hand.

Easy-Loading Supplies, Long-Lasting Materials

Unlike competitive products designed for office use, HandiMark uses Brady's easy-to-load ribbons and high quality, industrial strength tapes and adhesives for maximum durability. Choose from sizes up to 2" wide in 12 safety colors.
