Landis & Gyr
2800 Duncan Road
Lafayette, IN 47904

The High Power AirPoint Focus Module is installed in your Focus Electric Meters as original equipment. We do not supply a manual with this but we request that the following required statements be placed in the Landis & Gyr Focus manual to meet the requirements of the Federal Communications Commission CFR 47, Part 15 and Industry Canada RSS-210.

"This device complies with Part 15 of the FCC rules. Operation is subject to the following two conditions: 1) This device may not cause harmful interference, and, 2) This device must accept any interference received including interference that may cause undesired operation.

This device contains FCC ID: TEB-AIRPT677 / IC: 5931A-AIRPT677.

CAUTION TO USER: Changes or modifications not expressly approved by Hunt Technologies, INC. could void the user's authority to operate the equipment."

Sincerely,

Dave Olson
VP of Engineering
