USER'S MANUAL

(PRELIMINARY)

The car owner's manuals are in preparation at this time. However, since the compliance statement is contained on the FCC/IC ID label, the statement applicable for this device need not be repeated in the manual. However, the (same) compliance statement will be printed in the manual for the transmitter requirements.

This device complies with Part 15 of the FCC Rules and with RSS-210 of Industry Canada. Operation is subject to the following two conditions: (1) This device may not cause harmful interference, and (2) this device must accept any interference received, including interference that may cause undesired operation.

WARNING: Changes or modifications not expressly approved by the party responsible for compliance could void the user's authority to operate the equipment.
