

**Lenovo**

# Lenovo Smart Dock

## Safety, Warranty & Quick Start Guide

🔗 Read this guide carefully before using your device.

# Reading before using your device

## Reading first - regulatory information

Device models equipped with wireless communications comply with the radio frequency and safety standards of any country or region in which it has been approved for wireless use. In addition, if your product contains a telecom modem, it complies with the requirements for connection to the telephone network in your country.

Be sure to read the *Regulatory Notice* for your country or region before using the wireless devices contained in your device. To obtain a PDF version of the *Regulatory Notice*, refer to the “Downloading publications” section below.

## Getting support

To get support on network services and billing, contact your wireless network operator. To learn how to use your device and view its technical specifications, go to <https://support.lenovo.com>.

## Downloading publications

Electronic versions of your publications are available from <https://support.lenovo.com>. To download the publications for your device, go to <https://support.lenovo.com> and follow the instructions on the screen.

## Accessing your *User Guide*

Your *User Guide* contains detailed information about your device. To access your *User Guide*, go to <https://support.lenovo.com> and follow the instructions on the screen.

## Legal notices

Lenovo and the Lenovo logo are trademarks of Lenovo in the United States, other countries, or both.

Other company, product, or service names may be trademarks or service marks of others.

Manufactured under license from Dolby Laboratories. Dolby, Dolby Atmos, and the double-D symbol are trademarks of Dolby Laboratories.

LIMITED AND RESTRICTED RIGHTS NOTICE: If data or software is delivered pursuant a General Services Administration “GSA” contract, use, reproduction, or disclosure is subject to restrictions set forth in Contract No. GS-35F-05925.

## Device overview

Marketing name	Model
Lenovo Smart Dock	Lenovo HA-200

- 1 Speakers
- 2 Kickstand
- 3 Power adapter connector
- 4 Bluetooth button
- 5 Microphone
- 6 Volume buttons
- 7 Microphone On/Off button
- 8 Smart connector

## Indicator

Bluetooth button	Blue	Bluetooth connected
	Blinking blue	The device is pairing
	Off	Bluetooth disconnected

! All pictures and illustrations in this document are for reference only and may differ from the final product.

## Getting started

1. Attach your tablet to the Lenovo Smart Dock.
2. Plug the power adaptor into the Lenovo Smart Dock and then into a power outlet.

## Connecting your tablet to your Lenovo Smart Dock via bluetooth

1. Press and hold the bluetooth button in the Lenovo Smart Dock.
2. Complete Bluetooth pairing on your tablet.

## Talking to your Lenovo Smart Tab

1. Login your amazon account.
2. Say "Alexa" to get your device's attention.

# Important safety and handling information

## Plastic bag notice

**Danger:** Plastic bags can be dangerous. Keep plastic bags away from babies and children to avoid danger of suffocation.

## Caution about high volume usage

**Warning:** Exposure to loud noise from any source for extended periods of time may affect your hearing. The louder the sound, the less time is required before your hearing could be affected. To protect your hearing:

- Limit the amount of time you use headsets or headphones at high volume.
- Avoid turning up the volume to block out noisy surroundings.
- Turn the volume down if you can't hear people speaking near you.

If you experience hearing discomfort, including the sensation of pressure or fullness in your ears, ringing in your ears or muffled speech, you should stop listening to the device through your headset or headphones and have your hearing checked.

To prevent possible hearing damage, do not listen at high volume levels for long periods.

## Service and support information

The following information describes the technical support that is available for your product, during the warranty period or throughout the life of your product. Refer to the *Lenovo Limited Warranty* (LLW) for a full explanation of Lenovo warranty terms. See “*Lenovo Limited Warranty notice*” later in this document for details on accessing the full warranty.

### Online technical support

Online technical support is available during the lifetime of a product at:  
<https://support.lenovo.com>

### Telephone technical support

You can get help and information from the Customer Support Center by telephone. Before contacting a Lenovo technical support representative, please have the following information available: model and serial number, the exact wording of any error message, and a description of the problem.

Your technical support representative might want to walk you through the problem while you are at your device during the call.

### Worldwide Lenovo Support telephone list

**Important:** Telephone numbers are subject to change without notice. The most up-to-date telephone list for the Customer Support Center is always available at:  
<https://www.lenovo.com/support/phone>

If the telephone number for your country or region is not listed, contact your Lenovo reseller or Lenovo marketing representative.

# Warranty information

## **Lenovo Limited Warranty notice**

This product is covered by the terms of the LLW, version L505-0010-02 08/2011. Read the LLW at [https://www.lenovo.com/warranty/llw\\_02](https://www.lenovo.com/warranty/llw_02). You can read the LLW in a number of languages from this Web site. If you cannot view the LLW from the Web site, contact your local Lenovo office or reseller to obtain a printed version of the LLW.

## **Warranty period and type of warranty service**

Country or region	Warranty period	Type of warranty service
United Kingdom, Israel, Australia, New Zealand	Parts and Labor - 1 year Battery Pack - 1 year	1,3
Guatemala, Costa Rica, Venezuela, Peru, Uruguay, Ecuador, Colombia, Chile, Argentina, Indonesia, Vietnam, India, Malaysia, Thailand, Philippines, Singapore, Hong Kong, El Salvador, Taiwan, South Korea, Mexico	Parts and Labor - 1 year Battery Pack - 1 year	1,4
Russia, Ukraine, Egypt, Lebanon, Morocco, South Africa, Tunisia, Mauritius, Mozambique, United Arab Emirates, Jordan, Kenya, Nigeria, Uganda, Ghana, Oman, Tanzania, Namibia	Parts and Labor - 1 year Battery Pack - 1 year	4
United States of America, Canada, Japan	Parts and Labor - 1 year Battery Pack - 1 year	1,5

If you need support for this device, do not go back to your point of purchase. Please visit <https://support.lenovo.com>, where you will find answers to frequently asked questions, software updates and details on how to get in touch with us.

## EurAsia compliance mark

## Environmental, recycling, and disposal information

### General recycling statement

Lenovo encourages owners of information technology (IT) equipment to responsibly recycle their equipment when it is no longer needed. Lenovo offers a variety of programs and services to assist equipment owners in recycling their IT products. For information on recycling Lenovo products, go to <http://www.lenovo.com/recycling>.

## WEEE information

Electrical and electronic equipment marked with the symbol of a crossed-out wheeled bin may not be disposed of as unsorted municipal waste. Waste of electrical and electronic equipment (WEEE) shall be treated separately using the collection framework available to customers for the return, recycling, and treatment of WEEE.

Country-specific information is available at: <http://www.lenovo.com/recycling>

## Recycling information for Japan

Recycling and disposal information for Japan is available at:

<http://www.lenovo.com/recycling/japan>

## Additional recycling statements

Additional information about recycling device components and batteries is in your *User Guide*. See “**Accessing your User Guide**” for details.

## **Restriction of Hazardous Substances Directive (RoHS)**

### **Turkey**

The Lenovo product meets the requirements of the Republic of Turkey Directive on the Restriction of the Use of Certain Hazardous Substances in Waste Electrical and Electronic Equipment (WEEE).

Türkiye AEEE Yönetmeliğine Uygunluk Beyanı

Bu Lenovo ürünü, T.C. Çevre ve Orman Bakanlığı'nın "Atık Elektrikli ve Elektronik Eşya Bazı Zararlı Maddelerin Kullanımının Sınırlanmasına Dair Yönetmelik (AEEE)" direktierine uygundur.

AEEE Yönetmeliğine Uygundur.

### **Ukraine**

Цим підтверджуємо, що продукція Леново відповідає вимогам нормативних актів України, які обмежують вміст небезпечних речовин

### **India**

RoHS compliant as per E-waste (Management) Rules.

### **Vietnam**

Lenovo products sold in Vietnam, on or after September 23, 2011, meet the requirements of the Vietnam Circular 30/2011/TT-BCT ("Vietnam RoHS").

### **European Union**

Lenovo products sold in the European Union, on or after 3 January 2013 meet the requirements of Directive 2011/65/EU on the restriction of the use of certain hazardous substances in electrical and electronic equipment ("RoHS recast" or "RoHS 2"). For more information about Lenovo progress on RoHS, go to:

[https://www.lenovo.com/us/en/social\\_responsibility/RoHS-Communication.pdf](https://www.lenovo.com/us/en/social_responsibility/RoHS-Communication.pdf)

### **Singapore**

Lenovo products sold in Singapore, on or after June 1, 2017, meet the requirements of Government Gazette order No. S 263/2016 Restriction of Hazardous Substances in Electrical and Electronic Equipment in Singapore ("SG-RoHS").

# European Union compliance statement

## European Union conformity

EU contact: Lenovo, Einsteinova 21, 851 01 Bratislava, Slovakia

## Compliance with the RE Directive

Lenovo PC HK Limited declares that the radio equipment type Lenovo HA-200 is in compliance with Directive 2014/53/EU.

The full text of the EU declaration of conformity is available at the following internet address: [http://www3.lenovo.com/us/en/social\\_responsibility/EU\\_DoC\\_tablets](http://www3.lenovo.com/us/en/social_responsibility/EU_DoC_tablets)

This radio equipment operates with the following frequency bands and maximum radio-frequency power:

Model Name	Frequency Bands	Maximum Conducted Power (dBm)
Lenovo HA-200	Bluetooth 2.4GHz	9.93

 The above information is for EU countries only. Please refer to the actual product for supported frequency bands in other countries.

# Federal Communications Commission (FCC) Compliance Information

FCC ID: O57HA200

This device complies with Part 15 of the FCC Rules. Operation is subject to the following two conditions: (1) this device may not cause harmful interference, and (2) this device must accept any interference received, including interference that may cause undesired operation.

NOTE: This equipment has been tested and found to comply with the limits for a Class B digital device, pursuant to Part 15 of the FCC Rules. These limits are designed to provide reasonable protection against harmful interference in a residential installation. This equipment generates, uses, and can radiate radio frequency energy and, if not installed and used in accordance with the instructions, may cause harmful interference to radio communications. However, there is no guarantee that interference will not occur in a particular installation. If this equipment does cause harmful interference to radio or television reception, which can be determined by turning the equipment off and on, the user is encouraged to try to correct the interference by one or more of the following measures:

- Reorient or relocate the receiving antenna.
- Increase the separation between the equipment and receiver.
- Connect the equipment into an outlet on a circuit different from that to which the receiver is connected.
- Consult an authorized dealer or service representative for help.

CAUTION: Lenovo is not responsible for any radio or television interference caused by unauthorized changes or modifications to this equipment. Unauthorized changes or modifications could void the user's authority to operate the equipment.

- In order to avoid the possibility of exceeding the FCC radio frequency exposure limits, human proximity to the antenna shall not be less than 20cm (8 inches) during normal operation.

The FCC RF Exposure compliance:

The radiated energy from the antenna conforms to the FCC limit of the MPE requirement regarding 47 CFR Part 2 section 1091.

## Canada Notice

IC: 10407A-HA200

This Class B digital apparatus complies with Canadian ICES-003.

This device complies with Industry Canada's licence-exempt RSSs. Operation is subject to the following two conditions:

1. This device may not cause interference, and
2. this device must accept any interference, including interference that may cause undesired operation of the device.

Cet appareil est conforme aux CNR exemptes de licence d'Industrie Canada. Son fonctionnement est soumis aux deux conditions suivantes:

1. Cet appareil ne doit pas perturber les communications radio, et
2. cet appareil doit supporter toute perturbation, y compris les perturbations qui pourraient provoquer son dysfonctionnement.

The device meets the exemption from the routine evaluation limits in section 2.5 of RSS 102 and compliance with RSS-102 RF exposure, users can obtain Canadian information on RF exposure and compliance.

In order to avoid the possibility of exceeding the ISED radio frequency exposure limits, human proximity to the antenna shall not be less than 20cm (8 inches) during normal operation.

Le dispositif rencontre l'exemption des limites courantes d'évaluation dans la section 2.5 de RSS 102 et la conformité à l'exposition de RSS-102 rf, utilisateurs peut obtenir l'information canadienne sur l'exposition et la conformité de rf.

Afin d'éviter la possibilité de dépasser les limites d'exposition aux fréquences radio de la CNR-102, la proximité humaine à l'antenne ne doit pas être inférieure à 20 cm (8 pouces) pendant le fonctionnement normal.

## Canadian Class B Statement

This digital device does not exceed the Class B limits for radio noise emissions from digital apparatus as set out in the interference causing equipment standard entitled "Digital Apparatus,"

ICES-003 of the Department of Communications.

CAN ICES-3 (B)/NMB-3(B)

## Environmental specification

Temperature (Operation) : 0-45 °C

Temperature (Storage) : -40-60 °C

Relative humidity: 5-95% non condensing
