

# YOGA BOOK 12

Safety, Warranty & Quick Start Guide

Lenovo YB-Q501F Lenovo YB-Q501L

Read this guide carefully before using your YOGA BOOK 12.
All information labeled with \* in this guide only refers to the WLAN + LTE model (Lenovo YB-Q501L).

## Reading before using your tablet

#### Reading first - regulatory information

Device models equipped with wireless communications comply with the radio frequency and safety standards of any country or region in which it has been approved for wireless use. In addition, if your product contains a telecom modem, it complies with the requirements for connection to the telephone network in your country.

Be sure to read the Regulatory Notice for your country or region before using the wireless devices contained in your device. To obtain a PDF version of the Regulatory Notice, refer to the "Downloading publications" section below.

### **Getting support**

To get support on network service and billing, contact your wireless network operator. To learn how to use your tablet and view its technical specifications, go to http://support.lenovo.com.

#### Downloading publications

Electronic versions of your publications are available from http://support.lenovo.com. To download the publications for your tablet, go to http://support.lenovo.com and follow the instructions on the screen.

### Accessing your User Guide

Your User Guide contains detailed information about your tablet. To access your User Guide, go to http://support.lenovo.com and follow the instructions on the screen.

### Legal notices

Lenovo and the Lenovo logo are trademarks of Lenovo in the United States, other countries, or both.

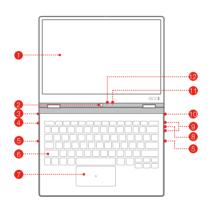

Other company, product, or service names may be trademarks or service marks of others.

Manufactured under license from Dolby Laboratories. Dolby, Dolby Atmos, and the double-D symbol are trademarks of Dolby Laboratories.

LIMITED AND RESTRICTED RIGHTS NOTICE: If data or software is delivered pursuant a General Services Administration "GSA" contract, use, reproduction, or disclosure is subject to restrictions set forth in Contract No. GS-35F-05925.

### YOGA BOOK 12 overview

Model	Version
Lenovo YB-Q501F	WLAN
Lenovo YB-Q501L	LTE

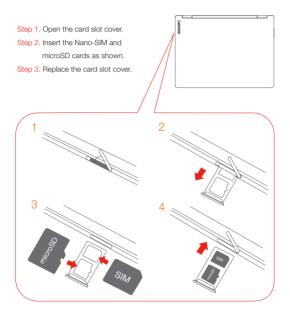

1	Touch screen	2	Camera	3	Headset connector
4	Card tray	<b>5</b>	Speakers	6	Keyboard
7	Touchpad	8	Volume buttons	9	On/Off button
10	Type-C USB connector	1	Camera signal lamp	12	Microphone

The WLAN model (Lenovo YB-Q501F) does not have a Nano-SIM card slot.

## Preparing your tablet

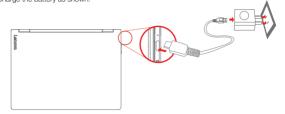

You can use cellular services with the WLAN + LTE model (Lenovo YB-Q501L) by inserting the Nano-SIM card provided by your carrier. Install the Nano-SIM and prices Chicards as shown

- Only Nano-SIM cards work with your tablet.
- Do not insert or remove the Nano-SIM card while your tablet is on. Doing so can permanently damage your Nano-SIM card or tablet.

## Starting to use your tablet

You might need to charge the battery before using your tablet. Charge the battery as shown.

Connect your tablet to a power outlet using the cable and USB power adapter provided.

Fully charged

Charging

### Turning on/off

Turn on: Press and hold the On/Off button until the Lenovo logo appears.

Turn off: Press and hold the On/Off button for a few seconds, then tap Power off.

Restart: Press and hold the On/Off button for about 10 seconds until the device turns off. Then turn it on again in the normal way.

### Taking screenshots

Press and hold the On/Off button and the Volume down button at the same time.

## Important safety and handling information

### Plastic bag notice

Danger: Plastic bags can be dangerous. Keep plastic bags away from babies and children to avoid danger of suffocation.

### Built-in rechargeable battery notice

Danger: Do not attempt to replace the internal rechargeable lithium ion battery. Risk of explosion if the battery is replaced with an incorrect type. Contact Lenovo Support for factory replacement.

### Caution about high volume usage

Warning: Exposure to loud noise from any source for extended periods of time may affect your hearing. The louder the sound, the less time is required before your hearing could be affected. To protect your hearing:

- Limit the amount of time you use headsets or headphones at high volume.
- Avoid turning up the volume to block out noisy surroundings.
- Turn the volume down if you can't hear people speaking near you.

If you experience hearing discomfort, including the sensation of pressure or fullness in your ears, ringing in your ears or muffled speech, you should stop listening to the device through your headset or headphones and have your hearing checked.

## **European Union compliance statement**

### **European Union conformity**

EU contact: Lenovo, Einsteinova 21, 851 01 Bratislava, Slovakia

#### Compliance with the R&TTE Directive

This product is in compliance with the essential requirements and other relevant provisions of the EU Council Radio and Telecommunications Terminal Equipment (R&TTE) Directive, 1999/5/EC. The Declaration of Conformity information is located in the Regulatory Notices, which you can download from the Lenovo Support Web site. See "Downloading publications" in this document for additional information.

NOTE: R&TTE 1999/5/EC remains in force during the transition period of Radio Equipment Directive (RED) 2014/53/EU until 12 June, 2017. After then, RED 2014/53/EU will take the place of R&TTE 1999/5/EC.

## Service and support information

The following information describes the technical support that is available for your product, during the warranty period or throughout the life of your product. Refer to the Lenovo Limited Warranty (LLW) for a full explanation of Lenovo warranty terms. See "Lenovo Limited Warranty notice" later in this document for details on accessing the full warranty.

#### Online technical support

Online technical support is available during the lifetime of a product at: http://www.lenovo.com/support

## Telephone technical support

You can get help and information from the Customer Support Center by telephone. Before contacting a Lenovo technical support representative, please have the following information available: model and serial number, the exact wording of any error message, and a description of the problem.

Your technical support representative might want to walk you through the problem while you are at your device during the call.

#### Worldwide Lenovo support telephone list

Important: Telephone numbers are subject to change without notice. The most up-to-date telephone list for the Customer Support Center is always available at: http://www.lenovo.com/support/phone

If the telephone number for your country or region is not listed, contact your Lenovo reseller or Lenovo marketing representative.

## Warranty information

### Lenovo Limited Warranty notice

This product is covered by the terms of the LLW, version L505-0010-02 08/2011. You can read the LLW at http://www.lenovo.com/warranty/llw\_02. You can read the LLW in a number of languages from this Web site. If you cannot view the LLW from the Web site, contact your local Lenovo office or reseller to obtain a printed version of the LLW.

### Warranty period and type of warranty service

## EurAsia compliance mark

## Environmental, recycling, and disposal information

#### General recycling statement

Lenovo encourages owners of information technology (IT) equipment to responsibly recycle their equipment when it is no longer needed. Lenovo offers a variety of programs and services to assist equipment owners in recycling their IT products. For information on recycling Lenovo products, go to http://www.lenovo.com/recycling.

#### Important battery and WEEE information

Batteries and electrical and electronic equipment marked with the symbol of a crossed-out wheeled bin may not be disposed as unsorted municipal waste. Batteries and waste of electrical and electronic equipment (WEEE) shall be treated separately using the collection framework available to customers for the return, recycling, and treatment of batteries and WEEE. When possible, remove and isolate batteries from WEEE prior to placing WEEE in the waste collection stream. Batteries are to be collected separately using the framework available for the return, recycling, and treatment of batteries and accumulators.

http://www.lenovo.com/recycling

### Recycling information for Japan

Recycling and disposal information for Japan is available at:

http://www.lenovo.com/recycling/japan

### Additional recycling statements

Additional information about recycling device components and batteries is in your *User Guide*. See "Accessing your User Guide" for details.

#### Battery recycling marks

Battery recycling information for Taiwan

## 廢電池請回收

Battery recycling information for the United States and Canada

#### Battery recycling information for the European Union

Energy efficiency mark

### Restriction of Hazardous Substances Directive (RoHS)

#### Turkey

The Lenovo product meets the requirements of the Republic of Turkey Directive on the Restriction of the Use of Certain Hazardous Substances in Waste Electrical and Electronic Equipment (WEEE).

Türkiye AEEE Yönetmeliğine Uygunluk Beyanı

Bu Lenovo ürünü, T.C. Çevre ve Orman Bakanlığı'nın "Atık Elektrikli ve Elektronik Eşya Bazı Zararlı Maddelerin Kullanımının Sınırlandırılmasına Dair Yönetmelik (AEEE)" direktiflerine uvgundur.

AEEE Yönetmeliğine Uygundur.

#### Ukraine

Цим підтверджуємо, що продукція Леново відповідає вимогам нормативних актів України. які обмежують вміст небезпечних речовин

#### India

RoHS compliant as per E-Waste (Management & Handling) Rules, 2011.

#### Vietnam

Lenovo products sold in Vietnam, on or after September 23, 2011, meet the requirements of the Vietnam Circular 30/2011/TT-BCT ("Vietnam RoHS").

#### European Union

Lenovo products sold in the European Union, on or after 3 January 2013 meet the requirements of Directive 2011/65/EU on the restriction of the use of certain hazardous substances in electrical and electronic equipment ("RoHS recast" or "RoHS 2").

For more information about Lenovo progress on RoHS, go to:

http://www.lenovo.com/social\_responsibility/us/en/RoHS\_Communication.pdf

#### Federal Communication Commission Interference Statement

This device complies with Part 15 of the FCC Rules. Operation is subject to the following two conditions: (1) This device may not cause harmful interference, and (2) this device must accept any interference received, including interference that may cause undesired operation.

This equipment has been tested and found to comply with the limits for a Class B digital device, pursuant to Part 15 of the FCC Rules. These limits are designed to provide reasonable protection against harmful interference in a residential installation. This equipment generates, uses and can radiate radio frequency energy and, if not installed and used in accordance with the instructions, may cause harmful interference to radio communications. However, there is no guarantee that interference will not occur in a particular installation. If this equipment does cause harmful interference to radio or television reception, which can be determined by turning the equipment off and on, the user is encouraged to try to correct the interference by one of the following measures:

- Reorient or relocate the receiving antenna.
- Increase the separation between the equipment and receiver.
- Connect the equipment into an outlet on a circuit different from that to which the receiver is connected
- to which the receiver is connected.
   Consult the dealer or an experienced radio/TV technician for help.

#### FCC Caution:

- Any changes or modifications not expressly approved by the party responsible for compliance could void the user's authority to operate this equipment.
- This transmitter must not be co-located or operating in conjunction with any other antenna or transmitter.

#### Radiation Exposure Statement:

This device meets the government's requirements for exposure to radio waves.

This device is designed and manufactured not to exceed the emission limits for exposure to radio frequency (RF) energy set by the Federal Communications Commission of the U.S. Government.

The exposure standard for wireless device employs a unit of measurement known as the Specific Absorption Rate, or SAR. The SAR limit set by the FCC is 1.6W/kg. Tests for SAR are conducted using standard operating positions accepted by the FCC with the device transmitting at its highest certified power level in all tested frequency bands.

#### Industry Canada statement

- This device complies with Industry Canada license-exempt RSS standard(s). Operation is subject to the following two conditions:
  - this device may not cause interference, and
  - this device must accept any interference, including interference that may cause undesired operation of the device.
- Le présent appareil est conforme aux CNR d'Industrie Canada applicables aux appareils radio exempts de licence. L'exploitation est autorisée aux deux conditions suivantes:
  - 1) l'appareil ne doit pas produire de brouillage, et
  - l'utilisateur de l'appareil doit accepter tout brouillage radioélectrique subi, même si le brouillage est susceptible d'en compromettre le fonctionnement.
  - This Class B digital apparatus complies with Canadian ICES-003.
- Cet appareil numérique de la classe B est conforme à la norme NMB-003 du Canada.
- This device complies with RSS-310 of Industry Canada. Operation is subject to the condition that this device does not cause harmful interference.
- Cet appareil est conforme à la norme RSS-310 d'Industrie Canada. L'opération est soumise à la condition que cet appareil ne provoque aucune interférence nuisible.
- This device and its antenna(s) must not be co-located or operating in conjunction with any other antenna or transmitter, except tested built-in radios.

  Or annarell et son antenne ne doivent nas être stufes ou fonctionner en conjunction.
  - Cet appareil et son antenne ne doivent pas être situés ou fonctionner en conjonction avec une autre antenne ou un autre émetteur, exception faites des radios intégrées qui ont été testées.
- The County Code Selection feature is disabled for products marketed in the US/ Canada.
- La fonction de sélection de l'indicatif du pays est désactivée pour les produits commercialisés aux États-Unis et au Canada.

#### Radiation Exposure Statement:

The product comply with the Canada portable RF exposure limit set forth for an uncontrolled environment and are safe for intended operation as described in this manual. The further RF exposure reduction can be achieved if the product can be kept as far as possible from the user body or set the device to lower output power if such function is available.

#### D éclaration d'exposition aux radiations:

Le produit est conforme aux limites d'exposition pour les appareils portables RF pour les Etats-Unis et le Canada établies pour un environnement non contrôlé.

Le produit est sûr pour un fonctionnement tel que décrit dans ce manuel. La réduction aux expositions RF peut être augmentée si l'appareil peut être conservé aussi loin que possible du corps de l'utilisateur ou que le dispositif est réglé sur la puissance de sortie la plus faible si une telle fonction est dissonible.
