

**LG VIPER™ 4G LTE**

# Your social scene and everything in between.

You never know when the next party will be. Where you'll meet your newest friend. What you'll decide to do when Friday night rolls around. The best moments aren't planned — and with LG Viper™ 4G LTE, you can live life as it happens, and be ready for anything. Download directions on your way to a show. Record and play videos any time, from anywhere. Draw a note on your best friend's photo and share it on Facebook.® Jot down digits right on your device. Stream music wherever you go. Dare to live spontaneously — and don't miss a thing.

 **LG**  
Life's Good

# Connect. Play. Share. Anywhere.

## Express Yourself with Quick Memo.

With Quick Memo you can draw or write over any image you see on your screen—showing your unique side just got a whole lot more fun! Whether you're texting, blogging, IMing, or sharing, LG Viper lets you show off your favorite forms of self-expression, faster.

## Your Life, at 4G Speed.

Stream music and videos without buffering. Listen to live podcasts without lag time. Get your game on without missing a move. No matter what you love to do, you can do it faster on LG Viper with 4G LTE.

## Share the Good Times.

Shoot HD footage of Friday's football game. Capture every expression from Saturday's surprise party. And post the weekend's best moments for comments on Monday. LG Viper lets you snap, shoot, and share anywhere.

## Goodbye, wallet.

Buy sunscreen on your way to the beach. Raid the candy aisle without fumbling for change. Score a latte with a single tap. Google Wallet™ lets you shop faster and pay with your phone.<sup>1</sup>

## Free Space for Your Stuff.

Share the high-resolution video you shot at the skate park. Open photo albums you saved last year. Access your entire music collection anytime, anywhere. With 50 GB free,<sup>2</sup> Box Cloud Storage opens up new possibilities for saving and sharing.
