

Your satisfaction is our #1 goal. If you have questions or concerns with your vehicle, we suggest you follow these steps:

1. Contact your Sales Representative or Service Advisor at your selling/servicing dealership.
2. If the inquiry or concern remains unresolved, contact the Sales Manager or Service Manager at the dealership.
3. If the inquiry or concern cannot be resolved at the dealership level, please contact the Lincoln Customer Assistance Center.

In the United States:

# 1. Introduction

**Ford Motor Company** and your selling dealer thank you for selecting one of our quality products. Our commitment to you and your vehicle begins with quality protection and service.

When you need warranty repairs, your selling dealer would like you to return to it for that service, but you may also take your vehicle to another Ford Motor Company dealership authorized to service Lincoln vehicles. Certain warranty repairs require special training though, so not all dealers are authorized to perform all warranty repairs. That means that, depending on the warranty repair needed, the vehicle may need to be taken to another dealer. If a particular dealership cannot assist you, then contact the Lincoln Customer Assistance Center at 1-800-521-4140.

This booklet explains in detail the warranty coverages that apply to your 2001–model Lincoln vehicle. If you bought a previously owned 2001–model vehicle, you are eligible for any remaining warranty coverages.

Ford Motor Company provides the **Emissions Defect Warranties** and **Emissions Performance Warranties** which cover your emissions control systems (pages 13-24).

Ford Motor Company or Ford Motor Vehicle Assurance Company (a subsidiary of Ford Motor Company, The American Road, Dearborn, MI 48121) provides the **New Vehicle Limited Warranty** (pages 5-8).

If you are interested in knowing whether the warranty coverage is provided by Ford Motor Company or Ford Motor Vehicle Assurance Company, call the Lincoln Customer Assistance Center at 1-800-521-4140. The warranty coverage you receive and your dealer's handling of any warranty covered repair will be the same regardless of the warranty provider.

## 2. Important information you should know

### IF YOU NEED CUSTOMER ASSISTANCE

Your Ford Motor Company dealer is available to assist you with all your automotive needs. Please follow the procedures outlined on the front page of this booklet.

In addition, if you are an eligible U.S. owner, you may use - at no cost - the services of the Dispute Settlement Board. The Board is a panel of impartial individuals who resolve disputes. For details, see **Dispute Settlement Board** (page 26) or call 1-800-428-3718.

### KNOW WHEN YOUR WARRANTY BEGINS

Your **Warranty Start Date** is the day you take delivery of your new vehicle or the day it is first put into service (for example, as a dealer demonstrator), whichever occurs first.

### CHECK YOUR VEHICLE

We try to check vehicles carefully at the assembly plant and the dealership, and we usually correct any damage to paint, sheet metal, upholstery, or other appearance items. But occasionally something may slip past us, and a customer may find that a vehicle was damaged before he or she took delivery. If you see any damage on your vehicle, notify your dealership within one week of the delivery date.

### MAINTAIN YOUR VEHICLE PROPERLY

Your glove compartment contains an **Owner Guide** and a **Scheduled Maintenance Guide** which indicate the scheduled maintenance required for your vehicle. Proper maintenance guards against major repair expenses resulting from neglect or inadequate maintenance, and may help increase the value you receive when you sell or trade your vehicle.

It is your responsibility to make sure that all of the scheduled maintenance is performed and that the materials used meet Ford engineering specifications. (Certain parts have limited warranty coverage if replacement is needed because of normal wear and tear — See page 7 for details.) Failure to

perform scheduled maintenance as specified in the Service Guide will invalidate warranty coverage on parts affected by the lack of maintenance. Make sure that receipts for completed maintenance work are retained with the vehicle and confirmation of maintenance work is always entered in your **Scheduled Maintenance Guide**.

Your Ford or Lincoln-Mercury dealership, or Ford or Lincoln-Mercury Auto Care Service Center, has factory-trained technicians who can perform the required maintenance using genuine Ford parts. The dealership looks forward to meeting your every service need to maximize your satisfaction with your vehicle.

### **WHO PAYS FOR WARRANTY REPAIRS?**

You will not be charged for covered warranty repairs made during the warranty periods for Bumper to Bumper, Safety Restraint, Corrosion, or Emissions Coverage.

Some states and/or local governments may require a tax on a portion of warranty repairs. Where applicable law allows, the tax must be paid by you, the owner of the vehicle.

During the Bumper to Bumper Warranty period, dealers may receive instructions to provide no cost, service-type improvements — not originally included in your Scheduled Maintenance Guide — intended to increase your overall satisfaction with your vehicle.

Sometimes Ford may offer a special adjustment program to pay all or part of the cost of certain repairs beyond the terms of the applicable warranty. Check with your dealer or call the Lincoln Customer Assistance Center at **1-800-521-4140** to learn whether any adjustment program is applicable to your vehicle. Please have your vehicle identification number available.

### **DO WARRANTIES APPLY IN OTHER COUNTRIES?**

The **New Vehicle Limited Warranty** and the **Emissions Warranties** described in this booklet apply to your vehicle if:

- it was originally sold or leased by Ford Motor Company or one of its dealers in the United States or U.S. Federalized Territories; and
- it was originally registered/licensed and operated in the United States, U.S. Federalized Territories, or Canada.

If you meet these two requirements, you do have warranty coverage when you travel with this vehicle outside the United States, U.S. Federalized Territories, or Canada. In some cases, however, you may have to pay the servicing Ford dealer in a foreign country or U.S. Federalized Territories for a repair that is covered under the U.S. warranty. If this happens, be sure to save the paid repair order or invoice. You should present this document to a U.S. Ford Motor Company dealer for warranty refund consideration.

### 3. The new vehicle limited warranty for your 2001-model vehicle

Your NEW VEHICLE LIMITED WARRANTY gives you specific legal rights. You may have other rights that vary from state to state. The New Vehicle Limited Warranty is the only express warranty applicable to your vehicle. Neither Ford or Ford Motor Vehicle Assurance Company assumes nor authorizes anyone to assume for it any other obligation or liability in connection with your vehicle or this warranty.

Ford, Ford Motor Vehicle Assurance Company and your dealer are not responsible for any time that you lose, for any inconvenience you might be caused, for the loss of your transportation, or for any other incidental or consequential damages you may have.

You may have some implied warranties. For example, you may have:

- an implied warranty of merchantability (that your vehicle is reasonably fit for the general purpose for which it was sold); or
- an implied warranty of fitness for a particular purpose (that your vehicle is suitable for your special purposes).

These implied warranties are limited, to the extent allowed by law, to the time period covered by the written warranties, or to the applicable time period provided by state law, whichever period is shorter.

Some states do not allow Ford or Ford Motor Vehicle Assurance Company to limit how long an implied warranty lasts or to exclude or limit incidental or consequential damages, so the limitation and exclusions described above may not apply to you.

**NOTE:** This information about the limitation of implied warranties and the exclusion of incidental and consequential damages under the **New Vehicle Limited Warranty** also applies to the **Emissions Warranties** described on pages 13–24.

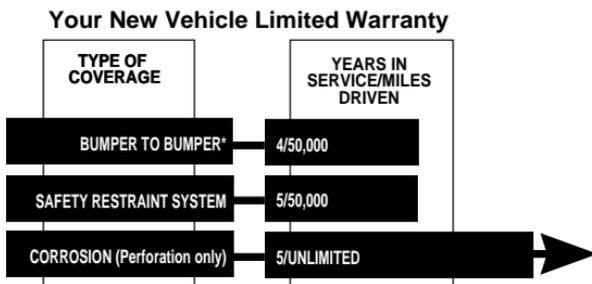

**NOTE:** If you are an eligible U.S. owner and have a warranty concern unresolved by your dealer, you may use the services of the Dispute Settlement Board (see page 26).

## QUICK REFERENCE: WARRANTY COVERAGE

This chart gives a general summary of your warranty coverage provided by Ford Motor Company or Ford Motor Vehicle Assurance Company under the **New Vehicle Limited Warranty**. Please refer to the description of warranty coverage for more specific information.

For each type of coverage, the chart shows two measures:

- years in service
- miles driven

\* Certain parts also are covered for 3 years or 36,000 miles (whichever occurs first) if replacement is needed because of normal wear and tear. See page 7 for list of parts.

The measure that occurs first determines how long your coverage lasts. For example: Your Bumper to Bumper Coverage lasts for four years - unless you drive more than 50,000 miles before four years elapse. In that case, your coverage ends at 50,000 miles.

For more details on coverage, see:

- ➔ **What is Covered?** (pages 6–8)
- ➔ **What is Not Covered?** (pages 8–10)

## WHAT IS COVERED?

The New Vehicle Limited Warranty coverage is provided by Ford Motor Company or Ford Motor Vehicle Assurance Company, a subsidiary of Ford Motor Company. These coverages include Bumper to Bumper coverage, Safety Restraint coverage, and corrosion coverage.

### Bumper to Bumper Coverage

Under your New Vehicle Limited Warranty, Bumper to Bumper Coverage begins at the warranty start date and lasts for four years or 50,000 miles, whichever occurs first.

During this coverage period, authorized Ford Motor Company dealers will repair, replace, or adjust all parts on your vehicle that are defective in factory-supplied materials or workmanship. In addition, authorized Ford Motor Company dealers will replace the following wear items for three years in service or 36,000 miles, whichever occurs first, if required due to failure caused by normal wear and tear:

- spark plugs
- shock absorbers
- clutch disc
- engine belts and hoses
- brake pads and linings
- wiper blades

Your New Vehicle Limited Warranty does not cover the replacement of any other parts not listed above if required due to the failure caused by normal wear and tear. Other items or conditions that are not covered by the New Vehicle Limited Warranty are described on page 10.

Two separate warranties apply to the tires on your new vehicle. The New Vehicle Limited Warranty provides no cost coverage for tire repairs, replacements, or adjustments due to defects in factory-supplied materials or workmanship during the Bumper to Bumper Coverage period. The tire manufacturer also provides you with a separate tire warranty that may extend beyond the Bumper to Bumper Coverage period. You will find the manufacturer's tire warranty with the owner literature supplied with your vehicle.

During the Bumper to Bumper Coverage period, your authorized Ford Motor Company dealer has the equipment and desire to ensure your complete satisfaction at no out-of-pocket cost to you. In addition, you have the option of having a tire warranty repair performed by the tire manufacturer's authorized service center. If you go to a tire service center during the Ford Bumper to Bumper Coverage period for a covered repair (replacement or adjustment), you may be charged a prorated amount for wear or other charges. If so, you should present your paid invoice detailing the nature of the charges to any Ford Motor Company dealership for refund consideration.

When making warranty repairs on your vehicle, the dealer will use Ford or Motorcraft parts or remanufactured parts that are authorized by Ford.

## **Safety Restraint Coverage**

Under your New Vehicle Limited Warranty, Safety Restraint Coverage begins at the warranty start date and lasts for five years or 50,000 miles, whichever occurs first.

During this coverage period, Ford Motor Company or Ford Motor Vehicle Assurance Company warrants your vehicle's safety belts and air bag Supplemental Restraint System (SRS) against defects in factory-supplied materials or workmanship.

## **Corrosion Coverage**

Under your New Vehicle Limited Warranty, Corrosion Coverage begins at the warranty start date and covers body sheet metal panels against corrosion due to a defect in factory-supplied materials and workmanship. Corrosion coverage (which lasts for 5 years, regardless of miles driven) only applies if the corrosion causes perforation (holes) in body sheet metal panels.

If corrosion does not cause perforation (holes), and is not the result of usage and/or environmental conditions, paint damage is covered under the terms of the Bumper to Bumper Warranty (4 years or 50,000 miles, whichever occurs first).

For damage caused by airborne material (environmental fallout) - where there is no factory-related defect involved and therefore no warranty - our policy is to cover paint damage due to airborne material for 12 months or 12,000 miles, whichever occurs first.

## **WHAT IS NOT COVERED?**

### **Damage Caused By:**

- accidents, collision, or objects striking the vehicle
- theft, vandalism, or riot
- fire or explosion
- freezing
- misusing the vehicle, such as driving over curbs, overloading, racing, or using the vehicle as a stationary power source
- altering or modifying the vehicle - including the body, chassis, or components - after the vehicle leaves Ford's control
- non-Ford parts installed after the vehicle leaves Ford's control. For example, but not limited to, cellular phones, alarm systems, and automatic starting systems

- tampering with the vehicle, tampering with the emissions systems, or with other parts that affect these systems
- disconnecting or altering the odometer or allowing the odometer to be inoperative for an extended period of time with the result that the actual mileage cannot be determined
- using contaminated or improper fuel/fluids
- customer-applied chemicals or accidental spills
- driving through water deep enough to cause water to be injected into the engine

### **Damage Caused by Use and/or the Environment**

Your New Vehicle Limited Warranty does not cover surface rust and deterioration of paint, trim, upholstery and other appearance items that result from use and/or exposure to the elements. Here are examples:

- stone chips, scratches (some examples are on paint and glass)
- dings, dents
- road salt, tree sap
- bird and bee droppings
- lightning, hail
- windstorm
- earthquake
- water or flood
- cuts, burns, punctures or tears

### **Damage Caused by Improper Maintenance**

Your New Vehicle Limited Warranty does not cover damage caused by failure to maintain the vehicle, improperly maintaining the vehicle, or using the wrong part, fuel, oil, lubricants or fluids. See the **Owner Guide** for correct fluid types and levels, and consult the **Scheduled Maintenance Guide** for proper ways to maintain your vehicle.

### **Maintenance/Wear**

Your New Vehicle Limited Warranty does not cover (1) the replacement parts due to normal wear and tear (except for the wear item coverage described on page 7); and (2) parts and labor needed to maintain the vehicle. You, as the owner, are responsible for these items. Examples from the **Scheduled Maintenance Guide** are:

- oil changes
- oils, lubricants, other fluids
- oil/air filters
- brake linings/pads
- cleaning/polishing
- tire rotation
- clutch linings
- engine tune-up

## **Tire Wear or Damage**

As typically is the case with tire manufacturer warranties, normal wear or worn-out tires are not covered by the New Vehicle Limited Warranty. Road hazard damage such as cuts, snags, bruises, bulges and impact breaks (potholes and curbs) are not covered. Any damage caused by a puncture or tire repair is not covered. In addition, damage from improper inflation or alignment, tire chains, racing, spinning (as when stuck in snow or mud), improper mounting or dismounting is not covered.

## **Other Items and Conditions Not Covered**

Your New Vehicle Limited Warranty also does not cover:

- non-Ford parts of your vehicle, for example, parts (including glass) installed by body builders or manufacturers other than Ford, or damage to Ford components caused by installation of non-Ford parts
- vehicles that have ever been labeled or branded as “dismantled”, “fire”, “flood”, “junk”, “rebuilt”, “reconstructed”, or “salvaged”; this will void the New Vehicle Limited Warranty
- vehicles that have ever been determined to be a “total loss” by an insurance company; this will void the New Vehicle Limited Warranty
- converted Town Car Limousines that are not equipped with the Limousine Builder’s Package (418) Option or if the wheel base is extended beyond 120 inches or if the Gross Vehicle Weight Rating (GVWR) exceeds 7,100 pounds. See important information about Town Car Limousine conversions (page 28).

## **Time Limits on Coverage**

- After the first 12 months in service or 12,000 miles, whichever occurs first, wheel alignment and tire balancing are not covered unless required by a warranty repair.

## 4. In addition ...

### **ROADSIDE SERVICE ASSISTANCE (UNITED STATES, PUERTO RICO, AND U.S. VIRGIN ISLANDS)**

Your vehicle is covered by the complimentary Ford Roadside Assistance Program (unless you are driving a daily rental unit). Under this program Ford will cover:

- towing to the nearest Ford Motor Company dealership, or towing to your selling dealership if within 35 miles
- flat tire change
- fuel delivery
- jump starts
- lock-out assistance

The Roadside Assistance Program is separate from the New Vehicle Limited Warranty, but the Program's time period runs concurrently with Bumper to Bumper Warranty Coverage (four years or 50,000 miles, whichever occurs first). If you need towing after Bumper to Bumper Coverage has ended, Ford can arrange roadside assistance and charge your credit card unless the problem is covered by another Ford warranty. Ford will pay the tow charge under the other warranty.

For emergency roadside assistance, call **1-800-521-4140 24 hours a day, 365 days a year.**

For daily rental units that must be towed because a covered part has failed during the Bumper to Bumper Warranty period, Ford will cover towing to the nearest Ford Motor Company dealership.

## **TRANSPORTATION ASSISTANCE**

Alternate transportation in the form of shuttle service, service loaner, or a rental car allowance is available for warranty service under the Lincoln Commitment Program. Please consult with your dealership for details.

## 5. Federal requirements for emissions warranties

### QUICK REFERENCE: EMISSIONS WARRANTY COVERAGE

This chart shows your warranty coverage under two emissions warranties that Ford Motor Company provides for vehicles that do not qualify for California emissions warranty as defined in Section 6 of this guide. These warranties comply with Federal requirements and are:

- Emissions Defect Warranty
- Emissions Performance Warranty

#### Emissions Warranties for Your Vehicle

TYPE OF COVERAGE	YEARS IN SERVICE/MILES DRIVEN
EMISSIONS DEFECTS WARRANTY	4/50,000
Certain Emissions Parts*	8/80,000
EMISSIONS PERFORMANCE WARRANTY	
Emissions Related Parts	2/24,000
Certain Emissions Parts*	8/80,000

\* Catalytic converters, electronic emissions control unit, and onboard emissions diagnostic device (required 8 years/80,000 mile coverage per the Clean Air Act)

For full details on emissions control coverage, see:

- ➔ Emissions Defect Warranty (page 14)
- ➔ Emissions Performance Warranty (pages 14–15)
- ➔ What is Covered? (pages 15–16)
- ➔ What is Not Covered? (page 16)

## Emissions Defect Warranty Coverage

Under the Emissions Defect Warranty, Ford Motor Company provides coverage for up to four years or 50,000 miles (whichever occurs first). This is an extension of the federal requirement that calls for coverage of two years/24,000 miles (whichever occurs first).

During this coverage period, Ford Motor Company warrants that:

- your vehicle is designed, built, and equipped to meet - at the time it is sold - the emissions regulations of the U.S. EPA.
- your vehicle is free from defects in factory-supplied materials or workmanship that could prevent it from conforming with applicable EPA regulations.
- you will not be charged for repair, replacement, or adjustment of defective emissions-related parts listed under **What is Covered?** (pages 15-16)

Under the Emissions Defect Warranty, Ford Motor Company also provides coverage, including labor and diagnosis, for eight years or 80,000 miles (whichever occurs first) for these emissions parts:

- catalytic converter
- electronic emissions control unit (PCM)
- onboard emissions diagnostic device

## Emissions Performance Warranty Coverage

If your vehicle is registered in a state where the state or local government has an EPA-approved inspection and maintenance program, you may also be eligible for Emissions Performance Warranty Coverage for two years or 24,000 miles (whichever occurs first), if you meet certain conditions.

Under the Emissions Performance Warranty, Ford Motor Company also provides coverage, including labor and diagnosis, for eight years or 80,000 miles (whichever occurs first) for these emissions parts:

- catalytic converter
- electronic emissions control unit (PCM)
- onboard emissions diagnostic device

Under Emissions Performance Warranty Coverage, Ford Motor Company will repair, replace, or adjust - with no charge for labor, diagnosis, or parts - any emissions control device or system, if you meet all these conditions:

- You have maintained and operated your vehicle according to the instructions on proper care in the **Owner Guide**, the **Scheduled Maintenance Guide**, and this booklet.
- Your vehicle fails to conform, during the warranty coverage period of two years or 24,000 miles (whichever occurs first), to the applicable national EPA standards.
- You are subject to a penalty or sanction under local, state, or federal law because your vehicle has failed to conform to the emissions standards. (A penalty or sanction can include being denied the right to use your vehicle.)
- Your vehicle has not been tampered with, misused, or abused.

The Emissions Performance Warranty will not apply to your vehicle if:

- the vehicle is tested at high altitude, but is certified to meet standards only at sea level.
- the diagnosis shows your vehicle will pass the applicable state or local government test using test procedures and standards set by the EPA.

## **WHAT IS COVERED?**

These parts are covered by both the Emissions Defect Warranty and the Emissions Performance Warranty.

### **List of Parts Covered by Emissions Warranties**

- Air Flow Sensor
- Air/Fuel Feedback Control System and Sensors
- Air Induction System
- Altitude Compensation System
- Catalytic Converter
- Controls for Deceleration
- Electronic Engine Control Sensors and Switches
- Electronic Ignition System
- Evaporative Emissions Control System
- Exhaust Gas Recirculation (EGR) System
- Exhaust Manifold
- Exhaust Pipe (Manifold to Catalyst)
- Fuel Filler Cap and Neck Restrictor
- Fuel Injection System
- Fuel Injector Supply Manifold
- Fuel Tank
- Idle Air Control (IAC) Valve

- Ignition Coil and/or Control Module
- Intake Manifold
- MIL/On-Board Diagnostic (OBD) System
- PCV System and Oil Filler Cap
- Powertrain Control Module
- Secondary Air Injection System
- Spark Control Components
- Spark Plugs and Ignition Wires
- Throttle Air Control Bypass Valve
- Throttle Body Assembly (MFI)

### **Important information about List of Parts**

Also covered by the two emissions warranties are all emissions-related bulbs, hoses, clamps, brackets, tubes, gaskets, seals, belts, connectors, fuel lines, and wiring harnesses that are used with components on the list of parts, above.

Concerning parts that should be replaced on a certain recommended maintenance schedule: These parts remain under warranty until : (a) the first replacement time that is specified in your **Owner Guide** and the **Scheduled Maintenance Guide**; or (b) the time or mileage limits of the Federal Defect and Performance Warranties (whichever occurs first).

Your Lincoln dealer maintains a complete list of parts covered by emissions warranties. For more details about the specific parts covered by the Emissions Defect Warranty, contact your dealer.

### **WHAT IS NOT COVERED?**

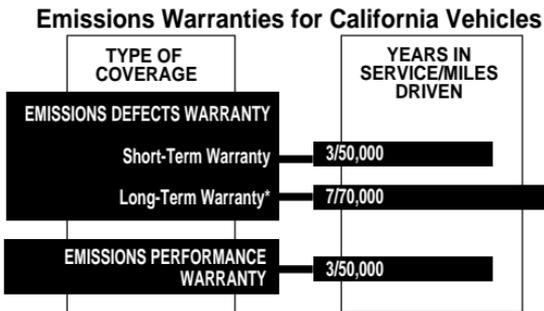

Ford Motor Company may deny you warranty coverage if your vehicle or a part has failed because of abuse, neglect, improper maintenance, unapproved modifications, or any items included in **What Is Not Covered?** (pages 8–10).

## 6. California requirements for emissions warranties

### QUICK REFERENCE: EMISSIONS WARRANTY COVERAGE

This chart shows the coverage Ford Motor Company provides under the emissions control warranty to owners of vehicles certified for sale in California, (your Vehicle Emissions Control Information label will indicate certified for sale in California or conforms to California regulations) **and** registered in California, Maine, Massachusetts, New York or Vermont. There are three warranties:

- Short-Term Defects Warranty
- Long-Term Defects Warranty
- Performance Warranty

\* These specific parts were selected on the basis of their estimated replacement cost at the time the California Air Resources Board certified your vehicle for sale in California.

For full details about coverage under California requirements for emissions control, see:

- ➔ **Defects Warranties** (page 18)
- ➔ **Performance Warranty** (page 18)
- ➔ **What Is Covered?** (pages 19–21)
- ➔ **What Is Not Covered?** (page 21)

## **EXPLANATION OF CALIFORNIA EMISSIONS WARRANTIES**

### **Your Warranty Rights and Obligations**

(Applicable if your vehicle is certified for sale in California **and** registered in California, Maine, Massachusetts, New York or Vermont.)

The California Air Resources Board and Ford Motor Company are pleased to explain the emission control system warranty on your 2001–model vehicle. In California, new motor vehicles must be designed, built, and equipped to meet the State’s stringent anti-smog standards. Ford must warrant the emission control system on your vehicle for the periods of time listed below, provided there has been no abuse, neglect or improper maintenance of your vehicle.

Your emission control system may include parts such as the carburetor or fuel injection system, the ignition system, catalytic converter, and engine computer. Also included may be hoses, belts, connectors and other emissions-related assemblies.

Where a warrantable condition exists, Ford Motor Company will repair your vehicle at no cost to you, including diagnosis, parts and labor.

### **Manufacturer’s Warranty Coverage:**

For 3 years or 50,000 miles (whichever first occurs):

1. If your vehicle fails a Smog Check inspection, all necessary repairs and adjustments will be made by Ford to ensure that your Lincoln passes the inspection. This is your emission control system **PERFORMANCE WARRANTY**.
2. If any emissions-related part on your vehicle is defective, the part will be repaired or replaced by Ford. This is your short-term emission control system **DEFECTS WARRANTY**.

For 7 years or 70,000 miles (whichever first occurs):

If an emissions-related part listed in this booklet, with coverage for seven years or 70,000 miles is defective, the part will be repaired or replaced by Ford. This is your long-term emission control system **DEFECTS WARRANTY**.

## **Owner's Warranty Responsibilities:**

As the vehicle owner, you are responsible for the performance of the required maintenance listed in your owner's manual. Ford recommends that you retain all receipts covering maintenance on your vehicle, but Ford cannot deny warranty coverage solely for the lack of receipts or for your failure to ensure the performance of all scheduled maintenance.

You are responsible for presenting your vehicle to a Lincoln dealer as soon as a problem exists. The warranty repairs should be completed in a reasonable amount of time, not to exceed 30 days.

As the vehicle owner, you should also be aware that Ford Motor Company may deny you warranty coverage if your vehicle or a part has failed due to abuse, neglect, improper maintenance, or unapproved modifications.

If you have any questions regarding your warranty rights and responsibilities, or if you want to report what you believe to be violations of the terms of this warranty you may contact the Lincoln Customer Assistance Center at 1-800-521-4140 or the California Air Resources Board at:

**State of California Air Resources Board  
Mobile Source Operations Division  
P.O. Box 8001  
El Monte, California 91731-2990**

## **WHAT IS COVERED?**

The parts listed on page 20 are covered by the long-term Emissions Defect Warranty that applies to every California 2001-model Lincoln vehicle.

Your Lincoln dealer maintains a complete list of parts covered by the short-term Emissions Defect Warranty. For more details about the specific parts covered by the short-term Emissions Defect Warranty, contact your dealer.

**TIME OR MILEAGE COVERAGE PERIODS FOR ADDITIONAL  
CALIFORNIA EMISSIONS WARRANTIES  
(years/thousand miles, whichever first occurs)**

PART NAME	DEFECT WARRANTY 7/70*
Anti-Lock Brake System (ABS) Module	X(1)
Catalytic Converter	X(2)
Exhaust Manifold Gasket	X(3)
Exhaust Manifold to Inlet Pipe Gasket	X(1)
Exhaust Manifold-Left	X(3)
Exhaust Manifold-Right	X(3)
Fuel Filter Kit	X(4)
Fuel Return & Brake Tube Assembly	X(3)
Fuel Tank	X
Intake Manifold	X(5)

\*These specific parts were selected on the basis of their estimated replacement costs at the time the California Air Resources Board certified your vehicle for sale in California.

- (1) Continental, Town Car only
- (2) Except LS
- (3) Town Car only
- (4) 3.0l LS, Navigator only
- (5) Except Continental

## Important Information about List of Parts

Also covered by this warranty are all emissions-related bulbs, hoses, clamps, brackets, tubes, gaskets, seals, belts, connectors, fuel lines, and wiring harnesses that are used with components on the List of Parts.

Concerning parts that should be replaced on a certain maintenance schedule: these parts remain under warranty until the first required replacement time that is specified in your **Owner Guide** and the **Scheduled Maintenance Guide**.

**NOTE:** If the diagnosis does not reveal a defect, the Defects Warranty does not apply.

Your Ford Motor Company dealer maintains a complete list of covered parts. For more details about the specific parts that are covered by the Defects Warranty, contact your dealer.

## WHAT IS NOT COVERED?

Ford Motor Company may deny you warranty coverage if your vehicle or a part has failed because of abuse, neglect, improper maintenance, unapproved modifications, or any items included in **What Is Not Covered?** (pages 8–10).

## **7. Additional information about your emissions warranty coverage, under Federal and California requirements**

### **HOW DO I GET WARRANTY SERVICE?**

To get service under your emission warranties, take your vehicle to any Lincoln dealer as soon as possible after illumination of the Malfunction Indicator Light or it has failed an EPA-approved test or a California Smog Check inspection. Be sure to show the dealer the document that says your vehicle has failed the test.

Your dealer will decide whether the repair is covered by the warranty. If there is a question about Performance Warranty coverage, the final decision must be made by Ford Motor Company within 30 days after you bring in your vehicle for repair. (The decision will be made within a shorter time if the law requires you to have the vehicle repaired more quickly in order to avoid additional penalties.) However, your dealer does not have to meet the deadline if you request a delay or agree to a delay, or if the delay is caused by an event for which neither Ford nor your dealer is responsible.

You will be notified by Ford Motor Company in writing if your claim for warranty coverage is denied. The notice will explain the basis for denying your claim. If you fail to receive this notice, Ford will perform the warranty repair for you free of charge.

### **HOW DO I HANDLE EMERGENCY REPAIRS?**

If your vehicle needs an emergency repair on emission-related parts, and a Lincoln dealer is not available - so that you must have covered repairs made by someone other than a Lincoln dealer - your Lincoln dealer will reimburse you for the cost of repairs, including diagnosis. Be sure to obtain: (a) the parts that are replaced; and (b) a receipt for the work. Take the parts and receipt to your dealer, who will determine if the repair is covered under warranty.

You should follow the same procedure if a warranted part is not available at your Lincoln dealer within 30 days from the time you first bring your vehicle to your dealer for repairs, and you must go elsewhere for repairs.

Any repair not completed within 30 days also constitutes an emergency, and any equivalent replacement part may be used in an emergency situation. Ford Motor Company will reimburse you for the repair expenses, not to exceed: (a) the manufacturer's suggested retail price for all warranted parts that are replaced; and (b) the labor charges (based on the manufacturer's recommended time allowance for the warranty repair and the geographically appropriate hourly labor rate).

### **WHAT REPLACEMENT PARTS SHOULD I USE?**

Ford Motor Company recommends that you use genuine Ford replacement parts. However, when you are having non-warranty work done on your vehicle, you may choose to use non-Ford parts.

If you decide to use non-Ford parts, be sure they are equivalent to Ford parts in performance, quality, and durability. If you use replacement parts that are not equivalent to Ford parts, your vehicle's emissions control systems may not work as effectively, and you may jeopardize your emissions warranty coverage.

**NOTE: FEDERAL WARRANTY ONLY** The maintenance, replacement, or repair of emissions control devices or systems, the cost of which is not covered by the warranties, can be performed by any automotive repair establishment or individual using non-Ford parts.

For vehicles within the warranty period, Ford Motor Company will repair at no cost to the owner, under the Federal Emissions Warranty, covered emission failures caused by properly installed Ford parts or non-Ford parts that have been “certified” by the U.S. Environmental Protection Agency (EPA). Ford is not responsible for the cost of repairing any emission failures caused by non-Ford parts that have not been “certified” by the EPA.

## **PROPER MAINTENANCE PRESERVES YOUR WARRANTY**

If you do not maintain your vehicle properly, Ford Motor Company may have the right to deny you warranty coverage.

To have repairs made under this warranty, you may have to show that you have followed Ford’s instructions on properly maintaining and using your vehicle. You will find these instructions in your **Owner Guide** and **Scheduled Maintenance Guide**. Be sure to save your service receipts and to keep accurate records of all maintenance work.

If you are not satisfied with the handling of a warranty matter, see **Customer Assistance**, on the front page of this booklet, and **Dispute Settlement Board** (page 26).

If you need more information about getting service under the **Federal Emissions Performance Warranty**, or if you want to report what you believe to be violations of the terms of this warranty, you may contact:

**Manager, Certification and Compliance Division  
(6405J)  
Warranty Claims  
Environmental Protection Agency  
Ariel Rios Building  
1200 Pennsylvania Avenue, N.W.  
Washington, D.C. 20460**

## 8. Ford Extended Service Plan

### MORE PROTECTION FOR YOUR VEHICLE

You can get more protection for your new Lincoln vehicle by purchasing a Ford Extended Service Plan (Ford ESP). Ford ESP is an extended service contract backed by Ford Motor Company or Ford Motor Service Company. It provides:

- benefits during the warranty period depending upon the plan you purchase (such as: reimbursement for rentals; coverage for certain maintenance and wear items); and
- protection against repair costs after your Bumper to Bumper Warranty expires

You may purchase Ford ESP from any Ford Motor Company dealer. There are several Ford ESP plans available in various time, distance and deductible combinations. Each plan is tailored to fit your own driving needs, including reimbursement for towing and rental.\*

When you purchase Ford ESP, you receive peace-of-mind protection throughout the United States and Canada, provided by a network of more than 5,000 Ford Motor Company dealers.

**NOTE:** Repairs performed outside the United States and Canada are not eligible for Ford ESP coverage. (Exceptions are Federalized Territories and military customers where ESP repairs are authorized.)

This information is subject to change. Ask your dealer for complete details about Ford ESP coverage.

\* In Hawaii, rules vary. See your dealer for details.

## 9. Dispute Settlement Board

### DO YOU NEED THE DISPUTE SETTLEMENT BOARD?

Your satisfaction is important to Ford Motor Company and to your dealer. Experience has shown that our customers have been very successful in achieving satisfaction by following the three-step procedure outlined on the front page of this booklet.

However, if your warranty concern has not been resolved using the three-step procedure, you may be eligible to participate in the Dispute Settlement Board, an informal, cost-free alternative process for resolving disputes.

A warranty dispute must be submitted to the Dispute Settlement Board before taking action under the Magnuson-Moss Warranty Act, or to the extent allowed by state law, before pursuing replacement or repurchase remedies provided by certain state laws. This dispute handling procedure is not required prior to enforcing state-created rights or other rights which are independent of the Magnuson-Moss Warranty Act or state replacement or repurchase laws.

### HOW DOES THE BOARD WORK?

The Dispute Settlement Board offers a voluntary, free, independent process for resolving warranty disputes. You may apply to the Board if you are an eligible owner of a Ford Motor Company vehicle in the United States.

For details, please refer to your **Owner Guide**. For a brochure/application, speak to your dealer or write to:

**Dispute Settlement Board**  
**P.O. Box 5120**  
**Southfield, MI 48086-5120**  
**1-800-428-3718**

**NOTE:** The Dispute Settlement Board may not be available in all states. Ford Motor Company reserves the right to change eligibility limitations, modify procedures and/or discontinue this process at any time without notice and without obligation.

## 10. State warranty enforcement laws

These state laws - sometimes called “lemon laws” - allow owners to receive a replacement vehicle or a refund of the purchase price, under certain circumstances. The laws vary from state to state.

To the extent your state law allows, Ford Motor Company requires that you first send us a written notification of any defects or non-conformities that you have experienced with your vehicle. (This will give us the opportunity to make any needed repairs before you pursue the remedies provided by your state’s law.)

In other states, where not specifically required by state law, Ford Motor Company requests that you give us the written notice.

Send your written notification to:

**Ford Motor Company  
Lincoln Customer Assistance Center  
16800 Executive Plaza Drive  
P.O. Box 6248  
Dearborn, MI 48121**

## 11. Important information about Town Car Limousine conversions

Ford Motor Company authorizes only Lincoln Qualified Vehicle Modifiers to perform Lincoln Town Car Limousine conversions. Lincoln Town Cars are suitable for limousine conversions only if equipped with the Ford Limousine Builder's Package (418) option. The wheelbase on Lincoln Town Cars with the Limousine Builder's Package (418) may NOT be extended beyond 120" (237.7" total wheelbase) or in a manner that results in a Gross Vehicle Weight Rating (GVWR) exceeding 7,100 pounds.

If a Lincoln Town Car limousine is NOT equipped with the Limousine Builder's Package (418) option or it is equipped with the Limousine Builder's Package (418) but its wheelbase is extended beyond 120" or its GVWR exceeds 7,100 pounds then the New Vehicle Limited Warranty is voided, any Ford Extended Service Plan (ESP) contract is voided, applicable Emissions Warranties may also be voided, and the vehicle modifier may be considered the vehicle "manufacturer" for Emissions Warranty coverage purposes (including responsibilities for emissions warranty, recall, and in-use compliance).
