

User's Manual (work in progress)

If a green LED is present on the front of the device, press buttons 5 and 6 simultaneously to toggle power.

Otherwise, unit is powered and transmitting while a button is pressed. Transmission ceases within 3 seconds after a button is released.

Operation corresponds to the function indicated by the device label.

FCC

This device complies with part 15 of the FCC rules. Operation is subject to the following conditions:

(1) This device may not cause harmful interference, and (2) This device must accept any interference received including interference that may cause undesired operation.

Changes or modifications not expressly approved by the manufacturer could void the user's authority to operate the equipment.
