Logitech® Important information

English

Important ergonomic information

Long periods of repetitive motion using an improperly set-up workspace, incorrect body position, and poor work habits may be associated with physical discomfort and injury to nerves, tendons, and muscles. If you feel pain, numbness, weakness, swelling, burning, cramping, or stiffness in your hands, wrists, arms, shoulders, neck, or back, seek a qualified health professional.

For more information, please read the Comfort Guidelines located on the Logitech® web site at <http://www.logitech.com/comfort>, or on the Logitech® Software CD.

Class 1 LED products

International standards and safety. Logitech optical devices comply with International Standard IEC 60825-1:2004. User observable light is 15 microwatts in normal operation and is rated as a commercial product for operation between 5°C (41°F) and 40°C (104°F).

Class 1 laser products

International standards and safety. Logitech Class 1 Laser products comply with International Standard IEC 60825-1:2004, Class 1 Laser Product, and also comply with 21 CFR 1040.10 and 1040.11, except for deviations pursuant to Laser Notice Nr. 50, dated July 26, 2001: 1) Emission of a parallel beam of infrared user-invisible light; 2) Maximum power of 716 microwatts CW, wavelength range 832 — 865 nanometers; 3) Operating temperature between 5°C (41°F) and 40°C (104°F).

Class 1M laser products

International standards and safety. INVISIBLE LASER RADIATION: DO NOT VIEW DIRECTLY WITH OPTICAL INSTRUMENTS. Logitech Class 1M Laser products comply with International Standard IEC 60825-1 Ed 2: 2007, Class 1M Laser Product Invisible and also complies with 21 CFR 1040.10 and 1040.11, except for deviations pursuant to Laser Notice Nr. 50, dated July 26, 2001: 1) Emission of diverging beam of minimum (+/-2°) of infrared user-invisible light; 2) Maximum power 1.4mW cw, wavelength range (min 840, max 860 nanometers); 3) Operating temperature between 5°C (41°F) and 40°C (104°F).

**LASER RADIATION
DO NOT VIEW DIRECTLY WITH OPTICAL INSTRUMENTS
CLASS 1M LASER PRODUCT**

CAUTION! Logitech Class 1 LED products and Class 1 and Class 1M laser products have no serviceable parts. Use of controls or adjustments or performance of procedures other than those specified in the product documentation may result in hazardous radiation exposure.

Safety and usage guidelines for laser products

Do not direct infrared beam toward eye. For Class 1M laser products, viewing laser output with optical instruments (e.g., eye loupes, magnifiers, and microscopes) within a distance of 100mm

may pose an eye hazard. In the absence of proper operation and if customer-initiated troubleshooting is unsuccessful, switch off device and call Logitech technical support. Do not attempt to disassemble device unless it is for end-of-life disposal. Do not expose device to liquid, humidity, or moisture. Do not operate device outside specified operating range of 5°C (41°F) and 40°C (104°F). If device is exposed to out-of-range temperatures, switch it off and allow the temperature to return to the normal operating range.

Battery warning

Caution: risk of explosion and personal injury if batteries are replaced by incorrect type. Do not open, mutilate, or expose to conducting materials (metal), moisture, liquid, fire, or heat (above 54° C or 130° F). Doing so may cause batteries to leak or explode, resulting in personal injury. Dispose of spent, leaking, or damaged batteries according to manufacturer instructions and local laws. Do not use or charge batteries (lithium-ion rechargeables) if leaking, discolored, or deformed. Do not mix battery types. Do not charge alkaline batteries. Do not leave rechargeable batteries discharged or unused for extended periods. Battery life varies with usage.

When replacing, remove all spent batteries, and do not mix old batteries with new. When device is not in use for extended periods, remove batteries to avoid leakage and store away from children in a cool, dry place at room temperature.

AC adapter warning

Caution electric shock hazard! Warning: to reduce risk of electric shock, do not expose AC adapter to rain, moisture, liquid, or heat sources (e.g., radiators, heat registers, stoves, amplifiers, etc.) For indoor use only. Do not use any other AC adapter with product. Do not use a damaged AC adapter or attempt to repair one. Inspect AC adapter regularly for cable, plug, or casing damage.

UL Statement: Your product is UL approved. Use only with UL listed ITE computers.

FCC

This hardware device complies with Part 15 of the FCC Rules. Operation is subject to the following two conditions: 1) this device may not cause harmful interference, and 2) this device must accept any interference received, including interference that may cause undesired operation. Compliance Information Statements: This equipment has been tested and found to comply with the limits for a Class B digital device, pursuant to part 15 of the FCC Rules. These limits are designed to provide reasonable protection against harmful interference in a residential installation. This equipment generates, uses and can radiate radio frequency energy and, if not installed and used in accordance with the instructions, may cause harmful interference to radio communications. However, there is no guarantee that interference will not occur in a particular installation. If this equipment does cause harmful interference to radio or television reception, which can be determined by turning the equipment off and on, the user is encouraged to try to correct the interference by one or more of the following measures: 1) Reorient or relocate the receiving antenna.

2) Increase the separation between the equipment and receiver. 3) Connect the equipment into an outlet on a circuit different from that to which the receiver is connected. 4) Consult the dealer or an experienced radio/TV technician for help.

FCC Caution: Any changes or modifications not expressly approved by the party responsible for compliance could void the user's authority to operate this equipment.

Logitech compliance

For additional compliance information, go to <http://www.logitech.com/compliance>.

Logitech hardware product limited warranty

Logitech warrants that your Logitech hardware product shall be free from defects in material and workmanship for three (3) years, beginning from the date of purchase. Except where prohibited by applicable law, this warranty is nontransferable and is limited to the original purchaser. This warranty gives you specific legal rights, and you may also have other rights that vary under local laws.

Remedies

Logitech's entire liability and your exclusive remedy for any breach of warranty shall be, at Logitech's option, (1) to repair or replace the hardware, or (2) to refund the price paid, provided that the hardware is returned to the point of purchase or such other place as Logitech may direct with a copy of the sales receipt or dated itemized receipt. Shipping and handling charges may apply except where prohibited by applicable law. Logitech may, at its option, use new or refurbished or used parts in good working condition to repair or replace any hardware product. Any replacement hardware product will be warranted for the remainder of the original warranty period or thirty (30) days, whichever is longer or for any additional period of time that may be applicable in your jurisdiction.

This warranty does not cover problems or damage resulting from (1) accident, abuse, misapplication, or any unauthorized repair, modification or disassembly; (2) improper operation or maintenance, usage not in accordance with product instructions or connection to improper voltage supply; or (3) use of consumables, such as replacement batteries, not supplied by Logitech except where such restriction is prohibited by applicable law.

How to obtain warranty support

Before submitting a warranty claim, we recommend you visit the support section at www.logitech.com for technical assistance. Valid warranty claims are generally processed through the point of purchase during the first thirty (30) days after purchase; however, this period of time may vary depending on where you purchased your product – please check with Logitech or the retailer where you purchased your product for details. Warranty claims that cannot be processed through the point of purchase and any other product related questions should be addressed directly to Logitech. The addresses and customer service contact information for Logitech can be found in the documentation accompanying your product and on the web at www.logitech.com/support.

Limitation of liability

LOGITECH SHALL NOT BE LIABLE FOR ANY SPECIAL, INDIRECT, INCIDENTAL OR CONSEQUENTIAL DAMAGES WHATSOEVER, INCLUDING BUT NOT LIMITED TO LOSS OF PROFITS, REVENUE OR DATA (WHETHER DIRECT OR INDIRECT) OR COMMERCIAL LOSS FOR BREACH OF ANY EXPRESS OR IMPLIED WARRANTY ON YOUR PRODUCT EVEN IF LOGITECH HAS BEEN ADVISED OF THE POSSIBILITY OF SUCH DAMAGES. Some jurisdictions do not allow the exclusion or limitation of special, indirect, incidental or consequential damages, so the above limitation or exclusion may not apply to you.

Duration of implied warranties

EXCEPT TO THE EXTENT PROHIBITED BY APPLICABLE LAW, ANY IMPLIED WARRANTY OR CONDITION OF MERCHANTABILITY OR FITNESS FOR A PARTICULAR PURPOSE ON THIS HARDWARE PRODUCT IS LIMITED IN DURATION TO THE DURATION OF THE APPLICABLE LIMITED WARRANTY PERIOD FOR YOUR PRODUCT. Some jurisdictions do not allow limitations on how long an implied warranty lasts, so the above limitation may not apply to you.

National statutory rights

Consumers have legal rights under applicable national legislation governing the sale of consumer goods. Such rights are not affected by the warranties in this Limited Warranty.

No other warranties

No Logitech dealer, agent, or employee is authorized to make any modification, extension, or addition to this warranty.

Logitech address

Logitech, Inc., 6505 Kaiser Drive, Fremont, California 94555, U.S.A.

Industry Canada Statement

This device complies with RSS-210 of the Industry Canada Rules.

Operation is subject to the following two conditions:

1) this device may not cause interference and

2) this device must accept any interference, including interference that may cause undesired operation of the device

Información sanitaria importante

Realizar tareas repetidas durante largos periodos de tiempo, una disposición inadecuada del lugar de trabajo, una posición incorrecta del cuerpo y hábitos de trabajo deficientes pueden ocasionar cansancio y lesiones físicas en nervios, tendones y músculos. Ante cualquier síntoma de dolor, rigidez, debilidad, inflamación, quemazón, calambre o agarrotamiento de manos, muñecas, brazos, hombros, cuello o espalda, consulte a un profesional sanitario titulado. Para más información, consulte las Recomendaciones para evitar el cansancio en la página Web de Logitech, <http://www.logitech.com/comfort> o en el CD del software Logitech®.

Productos LED de clase 1

Normativa internacional y seguridad. Los dispositivos ópticos Logitech cumplen con la normativa internacional IEC 60825-1:2004. En funcionamiento normal, la luz visible por el usuario es de 15 microvatios y se clasifica como producto comercial para uso entre 5°C y 40°C.

Productos láser de clase 1

Normativa internacional y seguridad. Los productos láser de clase 1 de Logitech cumplen con la normativa internacional IEC 60825-1:2004, producto láser de clase 1, y también con 21 CFR 1040.10 y 1040.11, excepto en lo relacionado con el aviso de láser número 50, del 26 de julio de 2001: 1) Emisión de un haz paralelo de luz infrarroja invisible para el usuario; 2) Potencia máxima de 716 microvatios en funcionamiento continuo; intervalo de longitud de onda entre 832 y 865 nanómetros; 3) Temperatura de funcionamiento entre 5°C y 40°C.

Productos láser de clase 1M

Normativa internacional y seguridad. RADIACIÓN LÁSER INVISIBLE: EVITE FIJAR LA VISTA CUANDO MIRE A TRAVÉS DE INSTRUMENTOS ÓPTICOS. Los productos láser de clase 1M de Logitech cumplen con la normativa internacional IEC 60825-1 Ed 2: 2007, producto láser de clase 1M invisible, y también con 21 CFR 1040.10 y 1040.11, excepto en lo relacionado con el aviso de láser número 50, del 26 de julio de 2001: 1) Emisión de un haz divergente de luz infrarroja mínima (+/-2°) invisible para el usuario; 2) Potencia máxima de 1,4 microvatios; intervalo de longitud de onda entre 840 y 860 nanómetros; 3) Temperatura de funcionamiento entre 5°C y 40°C.

ATENCIÓN.

Los productos LED de clase 1 y los láser de clase 1 y de clase 1M de Logitech no incluyen piezas que puedan repararse o sustituirse. La utilización de controles, ajustes o procedimientos no especificados en la documentación del producto puede dar como resultado la exposición a radiaciones peligrosas.

Directrices de uso y seguridad para productos láser

No dirija el haz infrarrojo a los ojos. Para productos láser de clase 1M, la visualización del láser con instrumentos ópticos (como lupas o microscopios) a una distancia no superior a 100 mm puede dañar los ojos. Si hay problemas de funcionamiento que no ha conseguido resolver, apague el dispositivo y póngase en contacto con el servicio de asistencia técnica de Logitech.

Limitación de responsabilidad

a la compra. Sin embargo, dicho período podrá variar de acuerdo con el lugar donde usted adquirió el producto: consulte con Logitech o con el minorista donde usted adquirió el producto para obtener más detalles al respecto. Los reclamos de garantía que no puedan ser procesados a través del punto de venta y toda inquietud relacionada con el producto adquirido deberán ser enviados a Logitech. Usted podrá encontrar las direcciones y la información de contacto del servicio al cliente de Logitech en la documentación adjunta al producto y en la página web www.logitech.com/support.

Limitaciones de responsabilidad

LOGITECH NO ASUMIRÁ NINGUNA RESPONSABILIDAD POR DAÑOS ESPECIALES, INDIRECTOS, FORTUITOS O CONSECUENTES, A SABER, ENTRE OTROS, LA PÉRDIDA DE GANANCIAS, INGRESOS O CUALQUIER GARANTÍA (YA SEA DIRECTA O INDIRECTA) O LA PÉRDIDA COMERCIAL POR VIOLACIÓN DE CUALQUIER GARANTÍA EXPRESA O IMPLÍCITA DE SU PRODUCTO, AUN CUANDO LOGITECH HAYA SIDO ASESORADO CON RESPECTO A LOS POSIBLES DAÑOS. Algunas jurisdicciones no permiten la exclusión o limitación de los daños especiales, indirectos, fortuitos o consecuentes, de modo que es posible que la limitación o exclusión antes mencionada no lo afecte a usted.

Duración de las garantías implícitas

SALVO DISPOSICIÓN LEGAL CONTRARIA, LA DURACIÓN DE TODA GARANTÍA O CONDICIÓN IMPLÍCITA DE APTITUD E IDONEIDAD QUE TENGA UN PROPÓSITO ESPECÍFICO PARA ESTE PRODUCTO DE HARDWARE ESTARÁ LIMITADA A LA DURACIÓN DEL PERÍODO CORRESPONDIENTE A LA GARANTÍA LIMITADA DE SU PRODUCTO. Algunas jurisdicciones no avalan limitaciones relativas a la duración de la garantía implícita, de modo que es posible que la limitación antes mencionada no lo afecte a usted.

Derechos legales nacionales

Los consumidores poseen derechos legales establecidos por la legislación nacional vigente con respecto a la venta de bienes de consumo. Dichos derechos no se ven afectados por las garantías establecidas en esta Garantía Limitada.

Ninguna otra garantía

Ningún distribuidor, representante o empleado de Logitech tiene autorización para realizar modificaciones, extensiones o adiciones a esta garantía.
