Charge LED

Integrated weather door protects the 3.5mm aux-in port and Micro USB port.

Removable D-Ring reveals standard tripod mount insert.

Recharge UE BOOM 2 via the Micro USB port.

Use the included power supply and USB cable for quickest recharge.

When powered on, UE BOOM 2 automatically reconnects to the last mobile device it was connected to.

UE BOOM 2 will automatically turn itself off after 15 minutes of inactivity to save battery life.

To pair UE BOOM 2 with your mobile device, press and hold the Bluetooth button until you hear the tone.

Go to the Bluetooth settings on your mobile device and select UE BOOM 2 from the list.

For NFC-enabled devices, hold your device directly against the UE BOOM 2, as shown, to pair and connect.

Once UE BOOM 2 is on and connected to your mobile device, just hit play to begin streaming your music.

You can control the volume from your mobile device, or directly from your UE BOOM 2.

Connect two UE BOOM 2s together for bigger sound.

Use the Double Up option on the home page of this app and follow the on-screen instruction.

You can also Double Up the UE BOOM 2 with a UE MEGABOOM, UE ROLL, or UE BOOM that has been updated with the latest firmware. Use the Double Up option on the home page of this app and follow the on-screen instructions.

Or to Double Up without the app, simultaneously press the Bluetooth and + buttons on the speaker that is playing music. Then press the Bluetooth button twice on the speaker that you want to add.

Double Up Lock:

Use Double Up Lock to have the speakers automatically Double Up the next time they are both powered on together.

To enable “automatic” Double Up, toggle the “Double Up Lock” setting to ON in the “Settings” section of this app.

Block Party lets you and your friends play music together through UE BOOM 2. Anyone that's joined the Block Party can simply hit play on their mobile device to get music playing through UE BOOM 2.

To start a Block Party, swipe left from the home screen and tap the + sign. Once the Block Party has started, give your friends a shot to play DJ by finding your UE BOOM 2 in their mobile device's Bluetooth settings.

Pro Tip: Make your UE BOOM 2 easier to find by giving it an awesome name.

You and two of your friends can join the Block Party.

If you want to change DJ's, just give someone the boot by tapping the "X" next to their device's name, and then a new friend can join.

Gestures let you control the music directly from your UE BOOM 2.

To do a gesture first pick up the UE BOOM 2 and hold it upright. Tap the top of the speaker one time to play music from your mobile device. Tap the top of the speaker again to pause the music. Tap the top of the speaker twice to skip a song.

You can turn gesture control on or off from within the settings menu of your UE BOOM app.

Click [here](#) to watch gesture control tutorial video.

Your UE BOOM 2 can be used as a speakerphone.

When a call comes in to your connected smartphone, UE BOOM 2 will automatically pause the music.

You can answer the call from either the smartphone or by pressing the Bluetooth button on the UE BOOM 2.

UE BOOM 2 can simultaneously connect with up to two Bluetooth mobile devices.

Simply pair and connect each mobile device to UE BOOM 2, then you can take turns playing music from each device.
