GETTING STARTED

Power - ON / OFF
Bluetooth

Micro USB port
3.5mm aux-in port

Check battery charge level by pressing the + and - volume buttons simultaneously.

UE ROLL is made with lifeproof and waterproof materials. To wash, use warm soapy water.

Integrated weather door protects the 3.5mm aux-in port and Micro USB port.

Recharge UE ROLL via the Micro USB port.

POWER

Power - ON / OFF

When powered on, UE ROLL automatically reconnects to the last mobile device it was connected to.

UE ROLL will automatically turn itself off after 15 minutes of inactivity to save battery life.

CONNECT

To pair UE ROLL with your mobile device, press and hold the Bluetooth button until you hear the tone.

Bluetooth Button

Go to the Bluetooth settings on your mobile device and select UE ROLL from the list.

PLAY MUSIC

Volume Buttons

Once UE ROLL is on and connected to your mobile device, just hit play to begin streaming your music.

You can control the volume from your mobile device, or directly from your UE ROLL.

1

DOUBLE UP

Connect two UE ROLLs together for bigger sound.

Use the Double Up option on the home page of this app and follow the on-screen instructions.

Or to Double Up without the app, simultaneously press the Bluetooth and + buttons on the speaker that is playing music. Then press the Bluetooth button twice on the speaker that you want to add.

2

DOUBLE UP

Control the speakers independently from the Double Up section of this app.

Double Up Lock:

The speakers will automatically Double Up the next time they are both powered on together.

To prevent "automatic" Double Up, toggle the "Double Up Lock" setting to OFF in the "Settings" section of this app.
