

FCC COMPLIANCE

NOTE: This equipment has been tested and found to comply with the limits for Class B digital device, pursuant to Part 15 of FCC Rules. These limits are designed to provide reasonable protection against harmful interference in a residential installation. This equipment generates, uses and can radiate radio frequency energy and, if not installed and used in accordance with the instructions, may cause harmful interference to radio communications. However, there is no guarantee that interference will not occur in a particular installation. If this equipment does cause harmful interference to radio or television reception, which can be determined by turning the equipment off and on, the user is encouraged to try to correct the interference by one or more of the following measures:

- Reorient or relocate the receiving antenna.
- Increase the separation between the equipment and receiver.
- Connect the equipment into an outlet on a circuit different from that to which the receiver is connected.
- Consult the dealer or an experienced radio/TV technician for help.

This device complies with Part 15 of the FCC Rules. Operation is subject to the following two conditions: (1) This device may not cause harmful interference, and (2) this device must accept any interference received, including interference that may cause undesired operation.

Warning: Changes or modifications to this unit not expressly approved by the party responsible for compliance could void the user's authority to operate the equipment.

SAFE BATTERY USAGE

- Use alkaline batteries for best performance and longer life.
- Use only the type battery recommended for the unit.
- Batteries should be replaced only by an adult.
- Insert batteries with the correct polarity (+ and -).
- Do not mix old and new batteries.
- Do not mix alkaline, standard (carbon-zinc), or rechargeable (nickel-cadmium) batteries.
- Do not short-circuit batteries.
- When not used for an extended time, remove batteries to prevent possible leakage and damage to the unit.
- Do not mix rechargeable and non-rechargeable batteries.
- Rechargeable batteries are to be removed from the toy before charging.
- Rechargeable batteries are to be recharged only under adult supervision.
- Do not recharge non-rechargeable batteries.
- Exhausted batteries are to be removed from the toy.
- Do not dispose of batteries in fire as they may leak or explode.

NOTE: The voltage of a fully-charged, rechargeable battery is often lower than that of a fresh alkaline battery. Therefore, it is recommended that alkaline batteries be used instead of rechargeable batteries for best performance and for longest play time.

 Let's care for the environment! The wheeie bin symbol indicates that the product must not be disposed of with other household waste. Please use designated collection points or recycling facilities when disposing of the item. Do not treat old batteries as household waste. Take them to a designated recycling facility.

Please keep this manual as it contains important information.

HK - ADD APPROPRIATE LOGO FOR MOXIE GIRLZ ART-TITUDE RC VEHICLE HERE

Item no.: 393238 Ages 3+ years
ADULT BATTERY INSTALLATION REQUIRED

INTRODUCTION

This trendy, urban, hybrid-style RC car is not only cool, it's got Art-titude! Take your dolls for a ride in a vehicle with style and flair!

CONTENTS

- 1 Art-titude Vehicle
- 1 Remote Control
- 1 Marker

HK - ADD ILLUSTRATION OF CONTENTS HERE

Illustrations may vary from actual contents.

BEFORE YOU BEGIN

An adult must install batteries in the vehicle. Here's how:

VEHICLE

1. Remove vehicle roof by lifting the tab on the back and pulling roof upward. (Fig. 1)
2. Using a Phillips screwdriver (not included) remove the screw and battery compartment cover located in the back window ledge of the vehicle. (Fig.2)
3. Install four (4) AA alkaline batteries (not included) making sure the (+) and (-) ends face the proper direction as indicated inside the battery compartment. (Fig.3)
4. Replace the compartment cover and tighten the screw.
5. Replace the roof section.

Fig. 2

Fig. 3

REMOTE CONTROL

An adult must install batteries in the remote control. Here's how:

1. Using a Phillips screwdriver (not included) remove the screw and battery compartment cover on the back of the Remote Control. (Fig.4)
2. Install two (2) AAA alkaline batteries or two button cell batteries (not included) making sure the (+) and (-) ends face the proper direction as indicated inside the battery compartment. (Fig.5)
3. Replace the compartment cover and tighten the screw.

Fig. 4

Fig. 5

QUICK START

Before going for a drive, make sure that your dolls (not included) are in place and buckled up:

1. Remove the top from the vehicle.
2. Lift the doll's arms straight up.
3. Place the doll in the driver or passenger seat.
4. Bring the seat belt down around the front of the doll's chest and secure it to the slot. (Fig. 6)
5. Once the doll is in the seat and the seatbelt is fastened, bring the doll's arms down.
6. Replace the vehicle top.

Fig. 6

QUICK START cont'd

OPERATING THE VEHICLE

1. Slide the vehicle ON/OFF switch on the bottom of the Vehicle to the ON position.
2. Slide the ON/OFF switch on the back of the Remote to the ON position.
3. Use the remote control to drive your vehicle by doing the following:
 - a. Press the left button of the remote control to go forward. (Fig. 7)
 - b. Press the right button of the remote control to back up and turn to the right. (Fig. 8)

Fig. 7

Fig. 8

NOTES

- When driving two RC vehicles, they must be of different radio frequencies (e.g. one vehicle 40MHz and one vehicle 27MHz) or they may not perform as designed.
- When vehicle is not being played with, turn the ON/OFF switches on both the Vehicle and Remote OFF to save battery power. If the Vehicle is not to be used for a long period of time remove the Vehicle and Remote batteries to prevent corrosion.

ADDING ART-TITUDE TO YOUR VEHICLE

To add color and style to your vehicle:

- Use the included marker or markers from any of your other Art-titude products to color in the designs on the car.
- Remove marker color by wiping away with a dry paper towel.

IMPORTANT NOTES

- DO NOT USE MARKERS OTHER THAN THOSE INCLUDED WITH THIS PRODUCT OR OTHER ART-TITUDE PRODUCTS on items in this playset as other markers may be permanent and may not be removable.
- Use Markers included in this playset only on items in this playset.
- Marker color left overnight on items in this playset may not be completely removable.

IMPORTANT INFORMATION

- Your vehicle is controlled by radio frequency. It may interfere with other radio controlled devices. If this occurs, move the vehicle to a location away from the interference.
 - The vehicle must remain in remote control range to operate correctly. The range depends on the surrounding area and on the strength of the battery. Obstructions such as buildings, fences, etc., between the remote control transmitter and the vehicle, reduce the range.
 - If the vehicle runs slowly, replace the batteries.
 - KEEP AWAY FROM WATER! Do not run your vehicle through puddles, or expose to liquid of any kind as moisture may damage the unit.
- CAUTION:**
- DO NOT sit or stand on any part of the vehicle.
 - DO NOT lift and/or drop the vehicle as doing so may cause bodily injury to the user and irreparable damage to the vehicle.
 - Play with the vehicle on the floor or ground only.
 - DO NOT operate this vehicle during thunderstorms.
 - Keep hair, loose clothing and other items away from rotating wheels of the unit.
