TRITTON

A Flashing: Syncing or searching for Headset.
Solid: Connected to a Headset while Base Station is powered ON.
OFF: Base Station is powered OFF or in standby mode.

Press and hold for 3 seconds to put Base Station in Sync mode. See page 10 for more information.

B USB Port

C Audio Input

Battery Installation

Insert 2 AA batteries into the Headset matching the polarity as shown.

When the battery level is low, the power LED will flash.

Battery Life = 20 hours (based on constant audio playback at medium volume.
Power Save Mode

If the Headset receives no audio for 10 minutes, the Headset will power down to save battery power and the LED on the Base Station will flash.

Wireless Range

The Kunai Headset transmits audio via digital radio frequency (RF) and has an operating range of 33 feet/10 meters in any direction. Please remain within this range for optimal performance. Avoid placing the Base Station on top of a metal surface or behind other devices that use RF. If the Headset is not operating properly within the 33-foot/10-meter range, try moving the Base Station to a different location for improved performance.

33ft/10m

Xbox 360 Component/Composite/VGA

1 Plug one end of the USB Cable **C** into a USB port on the gaming console. Plug the other end of the USB Cable **C** into the USB Port of the Base Station.

A Plug one end of the USB Cable **C** into a USB port on the gaming console.

A Plug the other end of the USB Cable **C** into the USB Port of the Base Station.

2-Year Limited Warranty
Mad Catz warrants this product to be free from defects in materials and workmanship for the warranty period. This non-transferable, two (2) year limited warranty is only to you, the first end-user purchaser. If a defect covered by this warranty occurs AND you provide proof of purchase, Mad Catz, at its option, will repair or replace the product at no charge.

The Mad Catz two (2) year limited warranty is available to North American and European customers. Your sole and exclusive remedy is repair or replacement of your Mad Catz product. In no event shall Mad Catz liability exceed the original purchase price of the product. This warranty does not apply to: (a) normal wear and tear or abusive use; (b) industrial, professional or commercial use; (c) if the product has been tampered with or modified.

To receive warranty service, you must:
  1. Obtain a Return Authorization Number from Mad Catz Technical Support via ONE of the following methods:
    a. Submit a Ticket at http://support.madcatz.com
    b. Call the Mad Catz Tech Support Center nearest you:

North America: (USA) or (outside USA)	1-800-659-2287 or 1-619-683-2815	Monday - Friday
UK (Toll-Free)	08450 508418	Monday - Friday
Europe (Outside UK)	+44(0) 1633 883110	Monday - Friday
Deutschland (gebührenfrei)	089-21094818	Montag - Freitag
France (gratuit)	01 82 88 01 80	Lundi - Vendredi
España (gratis)	93 181 63 94	Lunes - Viernes

Once you have your unique Return Authorization Number, do the following:
  1. Ship the product to Mad Catz at your expense for service.
  2. Enclose a copy of the original sales receipt showing a purchase date.
  3. Enclose a full return address with daytime and evening phone numbers.
