DESCRIPTION

The all new modular "Extreme" backpack is designed to provide maximum comfort for periods of extended mobile usage. The BK-EX series includes standard a rugged and multifunctional memory foam harness system, identical to the Portabrace AH-3H-MEM audio harness. Our new Extreme backpack is a great value as a true 2-in-1 video & audio case. Improvements include an even more protective inner frame, zipper covers for wear spots on corners, more ergonomic and comfortable standard harness, and modular components for mini/handheld DV & still photography removable belt pouch (also ideal for filters, matte boxes, or back-up batteries) and upgraded and enlarged tripod quiver.
