DESCRIPTION

The LIGHT PACK, is designed to meet the rigorous demands of a quick news conference or a simple production setup. Comfortable foam padded shoulder straps allow you to backpack equipment leaving your "hands free". Adjustable dividers help form compartments to neatly protect portable light heads. Stands and umbrellas are in a separate foam padded compartment. For longer stands, a pocket with cincher is provided outside the case. Sensibly sized pockets are provided for umbrella scrims, gels, frames, adapters and small clamps. One Sand Bag (model# SAN-2) is included to help stabilize equipment
