Walkie-Talkie Adventure Set

NICKELODEON

Fisher-Price

This equipment has been tested and found to comply with the limits for a Class B digital device, pursuant to part 15 of the FCC rules. These limits are designed to provide reasonable protection against harmful interference in a residential installation. This equipment generates, uses and can radiate radio frequency energy and, if not installed and used in accordance with the instructions, may cause harmful interference to radio communications. However, there is no guarantee that interference will not occur in a particular installation. If this equipment does cause harmful interference to radio or television reception, which can be determined by turning the equipment off and on, the user is encouraged to try to correct the interference by one or more of the following measures:
Reorient or relocate the receiving antenna.
Increase the separation between the equipment and receiver.

Connect the equipment into an outlet on a circuit different from that to which the receiver is connected. Consult the dealer or an experienced radio/TV technician for help.
Mattel Inc., 333 Continental Blvd., El Segundo, CA (310) 252-2400
NOTE: Changes or modifications not expressly approved by the manufacturer responsible for compliance could void the user's authority to operate the equipment.

This device complies with part 15 of the FCC Rules. Operation is subject to the following two conditions:
(1) This device may not cause harmful interference, and (2) this device must accept any interference received, including interference that may cause undesired operation.

Play to Learn with Nickelodeon's younger sibling - Nick Jr.!

Nick Jr. shows are especially for younger children because they help kids learn through play. Our Play to Learn philosophy has revolutionized the way that kids watch TV, encouraging them to think, explore, problem solve, master cognitive skills, and develop self-esteem - all while playing along with the characters they love.

The care, commitment, and quality that we put into all Nick Jr. programming also goes into our products. So when your kids play along with Nick Jr., they're playing to LEARN and learning through play!

Turn the dial to select an animal to rescue and then push the top button to hear Diego.

Press the bottom button to communicate with the other walkie-talkie.

BATTERY INSTALLATION:
Please keep these instructions for future reference as they contain important information.
Unscrew and lift cover away from back of product.
Install batteries as shown.

BATTERY SAFETY INFORMATION
In exceptional circumstances batteries may leak fluids that can cause a chemical burn injury or ruin your toy (product). To avoid battery leakage:

- Non-rechargeable batteries are not to be recharged.
- Rechargeable batteries are to be removed from the product before being charged (if designed to be removable).
- Rechargeable batteries are only to be charged under adult supervision (if designed to be removable).
- Do not mix alkaline, standard (carbon-zinc), or rechargeable (nickel-cadmium) batteries.
- Do not mix old and new batteries.
- Only batteries of the same or equivalent type as recommended are to be used.
- Batteries are to be inserted with the correct polarity.
- Exhausted batteries are to be removed from the product.
- The supply terminals are not to be short-circuited.
- Dispose of battery(ies) safely.
- Do not dispose of this product in a fire.
- The batteries inside may explode or leak.

For longer life use only alkaline batteries.
Requires 2 "9V" (6LR61) batteries.

Protect the environment by not disposing of this product with household waste (2002/96/EC). Check your local authority for recycling advice and facilities (Europe only).
