

Medtronic

RADIO REGULATORY COMPLIANCE INFORMATION

FCC Compliance Information:

The following provision applies to the low frequency communications system in the device: This device complies with Part 15 of the FCC Rules. Operation is subject to the following two conditions: (1) this device may not cause harmful interference, and (2) this device must accept any interference received, including interference that may cause undesired operation. The user is cautioned that changes or modifications not expressly approved by the party responsible for compliance could void the user's authority to operate the equipment.

Caution: Federal Law (USA) restricts this device to sale by or on the order of a physician.
