METER Group, Inc. USA agrees to lend one factory-owned water activity meter to the person/company at the address listed above.
Offer valid in North America only.

Instrument

AQUALAB 4TE AQUALAB 4TEV TDL
 AQ1 Pa_wkit

Payment required per loaner unit on all paid services. No fees for warranty repairs. Loaner should be returned within five (5) working days from receipt of your serviced instrument, or 10 days from notification of services complete on your instrument. The loaner instrument must remain at the address provided above unless other arrangements have been made in writing. Sending the instrument elsewhere may result in charges being collected for the retail price of the instrument. After a five-day grace period from receipt of the instrument, rental fees will be assessed and invoiced to you monthly until the loaner instrument is received at METER Group, Inc. USA. This loaner agreement covers the use of the loaner for the duration of the initial service (RMA) requested. If the loaner is to be kept for additional instrument services (new RMA's), a loaner extension must be requested in writing and a form of payment for the extension received within the 5 day grace period or rental charges will apply. Total invoiced amount shall not exceed the retail price of the instrument. The loaner will be shipped to you at METER Group Inc. USA's expense and the instrument return will be your responsibility. If the equipment is damaged or lost beyond normal wear and tear, METER Group, Inc. USA retains the right to require the borrower to pay for repairs or the cost to replace it.

I agree to METER Group, Inc. USA's Service terms, Payment terms, and Terms and Conditions
