

## **Integration of AC001**

This radio module is designed for use only in Mettler Toledo GmbH devices and will be integrated by qualified personnel only.

The module is granted a limited modular approval and therefore can only be used in Mettler Toledo approved devices.

The outside of the host device into which the module is installed must display a label referring to the enclosed module. The housing must use the wording as follows:

“Contains FCC ID: THVAC001” or/and “Contains IC: 22032-THVAC001”

Additionally the following phrase must be found in the main device manual:

FCC/ISED:

This device complies with Industry Canada licence-exempt RSS standard(s) and part 15 of the FCC Rules. Operation is subject to the following two conditions: (1) this device may not cause interference, and (2) this device must accept any interference, including interference that may cause undesired operation of the device.

Changes or modifications not expressly approved by the party responsible for compliance could void the user's authority to operate the equipment.

ISED :

Le présent appareil est conforme aux CNR d'Industrie Canada applicables aux appareils radio exempts de licence. L'exploitation est autorisée aux deux conditions suivantes : (1) l'appareil ne doit pas produire de brouillage, et (2) l'appareil doit accepter tout brouillage radioélectrique subi, même si le brouillage est susceptible d'en compromettre le fonctionnement."
