

Discontinuation of Select Omron Microscan Products

Omron Microscan is in process of launching several exciting products that will extend our Auto ID, Machine Vision, and Verification portfolio. To make room for these products, we are announcing the end of life (EOL) of select products as outlined in this letter. Omron Microscan takes great pride in providing high-quality products with exceptional life cycles. In most case, newer products are available that meet or exceed the performance of EOL products.

Mobile HAWK DPM Handheld Imager

After years of availability, component obsolescence has forced the decision to announce the EOL of the Mobile HAWK DPM Handheld Imager. Customers are directed to the new HS-360X DPM Handheld imager as a direct replacement.

Announcement: December 2017
Last Orders: March 15, 2018
Last Shipment: December 2018
End of Service: December 2020*

QX HAWK Industrial Imager

Omron Microscan is announcing the EOL of the QX HAWK line of products. Customers are directed toward the MicroHAWK ID-30/40 and new ID-45 line of ID readers as replacements. They have superior performance, and the market has shown that they are clearly preferred over the QX HAWK product line.

Announcement: December 2017
Last Orders: March 15, 2018
Last Shipment: June 15, 2018
End of Service: June 15, 2020*

Vision HAWK Smart Cameras

Omron Microscan is announcing the EOL of the integrated light and optics version of the Vision HAWK. Omron Microscan will be keeping the C-Mount versions of the Vision HAWK. Customers are directed toward the new MicroHAWK MV line of smart cameras as well as the brand-new HAWK MV-4000 high performance smart camera line as replacements.

Announcement: December 2017
Last Orders: March 15, 2018
Last Shipment: June 15, 2018
End of Service: June 15, 2020*

MS-9 High-Speed Barcode Scanner

Omron Microscan is announcing the EOL of the MS-9 line of products. Customers are directed toward the new MicroHAWK ID-45 line of ID Readers as the replacement products. Due to component obsolescence issues, orders will only be accepted as material allows.

Announcement: December 2017
Last Orders: March 15, 2018⁺ (dependent on inventory availability)
Last Shipment: June 15, 2018
End of Service: June 15, 2020*

Select MS-3 Laser Barcode Scanners

Select MS-3 products with minimal sales are being removed from the product catalog for cleanup purposes, so we can focus on the products that are actively ordered. This change has minimal affect as these part numbers are not actively ordered. All other MS-3 Laser Barcode Scanners will continue to reside in our active product catalog with no changes.

Announcement: December 2017
Last Orders: January 15, 2018
Last Shipment: March 30, 2018
End of Service: March 30, 2022

EZ Match Solution Kits

The EZ match Solution kits have been in our legacy product catalog for several years. We will be removing these legacy products from the catalog because the MicroHAWK MV-30 smart camera can easily perform all the inspection the EZ Match did, plus more.

Announcement: December 2017
Last Orders: January 15, 2018 Last
Shipment: March 30, 2018
End of Service: March 30, 2020*

Select NERLITE Machine Vision Lighting

Omron Microscan is announcing the EOL of many of the legacy, and very low volume machine vision lights. Microscan is keeping the most popular high-volume lights, including the Smart Light series with built in light controller.

Announcement: December 2017
Last Orders: No longer accepting orders
Last Shipment: March 30, 2018
End of Service: March 30, 2020*

Select LVS 95XX Barcode Verification Configurations

Select LVS-95xx and LVS-75xx configurations are being discontinued due to low sales and overlap with other models. The following part table defines the alternate configuration that can be used.

Announcement: December 2017
Last Orders: March 30, 2018
Last Shipment: April 30, 2018
End of Service: April 30, 2020*

* As service parts allow

LVS-7300 Label Inspection Systems

LVS-7300 systems are being discontinued due to low sales. There is no alternative product that would meet the application requirements of the LVS-7300.

Announcement: December 2017
Last Orders: February 15, 2018
Last Shipment: March 31, 2018
End of Service: March 31, 2019*

* As service parts allow

If you need assistance selecting a product for your application, please work with Omron Microscan's technical support group to make the correct selection. If you require any further information, please contact your [regional sales manager](#).

Please see the following page for the list of part numbers affected.
