PERSONALIZE

Go ahead, add your personal touch. Change your widgets, wallpaper, ringtone, and more-make it yours.

• Home screen: Touch and hold an empty spot until you see the Add to Home screen menu.

Tip: To move or delete something, touch and hold it to drag to a new location or to the trash bin at the top of your screen.

• Ringtones & sounds: Touch Menu 📳 > Settings > Sound.

Your dialpad, call lists, contacts and favorites are just a touch or two away-no menus needed. Just touch 📵 Dialer in the home screen.

Tip: During a call, touch Home (a) or Back (5) to hide the active call display and use other apps. To reopen it, touch 🚺 Dialer.

CONTACTS

Contacts like you've never had before, downloaded from your accounts and backed up on MOTOBLUR Touch 🔳 > 🔼 Contacts or 🗐 Dialer > Contacts.

- Scroll: Flick or drag the list.
- **Search:** Touch Q to open, then type the contact name.
- More: To transfer your contacts to your phone, or get your contacts organized, go to www.motorola.com/mymotoblur.

Find out what everyone is doing. Touch your Social Networking or Social Status widgets to see the newest update, then:

- See more: Flick left to see more updates or messages
- See details: Touch Social Networking, then touch the social network's icon for more access.

Tip: To add social network accounts, touch Menu 📳 > Settings > Accounts > Add account.

MESSAGES

the instructions.

spot to open the home screen menu. Motorola Widgets

Touch and hold an empty
