Battery safety. Before assembling, charging or using your phone for the first time, please read the important product safety and legal information provided with your product.

If your phone becomes unresponsive, press and hold the Power button until the screen goes dark and your device restarts. Your phone uses a removable battery. Only use Motorola Original batteries for safety and best performance.

Warning:

- Don't use tools, sharp objects, or excessive force to insert or remove the battery. This may damage the battery and could cause burning and injury.
- Don't try to take apart or fix your battery. This may damage the battery and could cause burning and injury.
- Don't crush, bend (except for normal hinge use), or expose your battery or phone to heat or liquid. This may damage the battery and could cause burning and injury.
- Don't put your phone in a microwave oven, conventional oven, or dryer.
- Warning about high volume usage. To prevent possible hearing damage, do not listen at high volume levels for long periods.

Disposal & recycling. Help do your part! Please don't dispose of phones or electrical accessories (such as chargers, headsets, or batteries) with your household waste. Product packaging and product guides should only be disposed of in accordance with national collection and recycling requirements. For details on approved national recycling schemes and Motorola recycling activities, go to: www.motorola.com/recycling.
