## SECOND DEVICE

Using two phones? Or maybe a tablet and a phone? Pair with two devices.

- Before pairing the second device, turn off the Bluetooth feature of the previously paired device. Now pair your second device as normal, see “**CONNECT & GO**” on page 5.
- Once paired, to connect to both devices simply turn them on.
- To use headset features such as voice dial, redial, and end call with the desired device, just use the feature as normal and follow the voice prompts.
- To use the NFC method to pair, see “**NFC METHOD**” on page 6.

## COOL FEATURES

**Note:** These features don't work for second incoming calls.

### CALLER ID

If your phone knows your caller's number, then you hear "*call from <number>*" on an incoming call.

**Note:** Some features are phone/network dependent.

## TALK TIME

*check your chat time*

Press and hold both Volume buttons while not on a call.

If light shows...	the battery has...
red	less than 20% charge.
yellow	between 20% – 80% charge
green	more than 80% charge

To save battery power, turn off the headset when you don't use it for an extended time.

## STATUS LIGHT

*know your headset*

if light shows...	your headset is...
three blue flashes	powering on/off
steady blue	pairing/connect mode
rapid blue/purple flashes	connection successful
quick blue flash	incoming/outgoing call on phone 1
quick purple flash	incoming/outgoing call on phone 2
slow blue pulse	connected (on a call)
slow blue flash	standby (connected to one phone)

if light shows...	your headset is...
slow green flash	standby (connected to two phones)
slow red flash	idle (not connected to a phone)
slow purple pulse	connected call muted
steady red	attempting to connect
quick red flash	low battery
steady purple	in settings mode

**Note:** After one minute on a call or 20 minutes of inactivity, the light stops flashing to conserve power, but the headset remains on. Closing the boom will also save battery life.

## SETTINGS

*make some changes*

Press and hold the Call button while turning on the headset to turn these features on/off:

- Language selection
- Reset to factory default

**Caution:** This action erases all pairing information stored in your headset.

## TROUBLESHOOTING

A few frequently asked questions—with answers, of course. Find more at [www.motorola.com/support](http://www.motorola.com/support).

### **My headset will not enter pairing mode.**

Make sure that any devices previously paired with the headset are turned off. If the indicator light is flashing in blue, first turn off the other device, then turn the headset off and on. The indicator light becomes steadily lit in blue and you hear “*ready to pair*”.

### **My phone doesn't find my headset when searching.**

Make sure the indicator light on your headset is steadily lit in blue when your phone is searching for devices. If not, press and hold the Call button and select “*Reset to Factory Condition*” in

Settings. You then hear *“Welcome to the Motorola H19txt. Ready to pair.”* and see the indicator light steadily lit in blue.

**My headset will not pair with my phone.**

If the indicator light is not steadily lit in blue when your phone is searching for your headset, you can reset the headset by pressing and holding the Call button and selecting *“Reset to Factory Condition”* in Settings. You then hear **“Welcome to the Motorola H19txt. Ready to pair.”** and the indicator light is steadily lit in blue. Then follow pair & connect instructions on page 11.

**My headset connected before, but now it's not working.**

Make sure your phone is on and the Bluetooth® feature is turned on in your phone. If the Bluetooth feature was turned off or was turned on only temporarily, you may need to restart the

Bluetooth feature and pair your phone and headset again. See “**SECOND DEVICE**” on page 11.

# Safety, Regulatory & Legal

---

## Battery Use & Safety

### DON'Ts

- **Don't let the product come in contact with liquids.\*** Liquids can get into the product's circuits, leading to corrosion.
- **Don't place your product near a heat source.\*** High temperatures can cause the battery to swell, leak, or malfunction.
- **Don't dry a wet or damp product with an appliance or heat source,** such as a hair dryer or microwave oven.

### DOs

- **Do avoid leaving your product in your car in high temperatures.\***
- **Do avoid dropping the product.\*** Dropping your product, especially on a hard surface, can potentially cause damage.\*
- **Do contact your retailer or Motorola if your product has been damaged by dropping, liquids or high temperatures.**

**Warning:** Never dispose of battery powered products in a fire because they may explode.

## Battery Charging

### Notes for charging your product's battery:

- During charging, keep your battery and charger near room temperature for efficient battery charging.
- New batteries are not fully charged.

- New batteries or batteries stored for a long time may take more time to charge.
- Motorola batteries and charging systems have circuitry that protects the battery from damage from overcharging.

## Third Party Accessories

Use of third party accessories, including but not limited to batteries, chargers, headsets, covers, cases, screen protectors and memory cards, may impact your product's performance. In some circumstances, third party accessories can be dangerous and may void your product warranty. For a list of Motorola accessories, visit [www.motorola.com/products](http://www.motorola.com/products)

## Driving Precautions

Responsible and safe driving is your primary responsibility when behind the wheel of a vehicle. Using a mobile device or accessory for a call or other application while driving may cause distraction. Using a mobile device or accessory may be prohibited or restricted in certain areas, always obey the laws and regulations on the use of these products.

### **While driving, NEVER:**

- Type or read texts.
- Enter or review written data.
- Surf the web.
- Input navigation information.
- Perform any other functions that divert your attention from driving.

### **While driving, ALWAYS:**

- Keep your eyes on the road.
- Use a handsfree device if available or required by law in your area.

- Enter destination information into a navigation device **before** driving.
- Use voice activated features (such as voice dial) and speaking features (such as audible directions), if available.
- Obey all local laws and regulations for the use of mobile devices and accessories in the vehicle.
- End your call or other task if you cannot concentrate on driving.

Responsible driving practices can be found at [www.motorola.com/callsmart](http://www.motorola.com/callsmart) (in English only).

## Caution About High Volume Usage

**Warning:** Exposure to loud noise from any source for extended periods of time may affect your hearing. The louder the volume sound level, the less time is required before your hearing could be affected. To protect your hearing:

- Limit the amount of time you use headsets or headphones at high volume.
- Avoid turning up the volume to block out noisy surroundings.
- Turn the volume down if you can't hear people speaking near you.

If you experience hearing discomfort, including the sensation of pressure or fullness in your ears, ringing in your ears, or muffled speech, you should stop listening to the device through your headset or headphones and have your hearing checked.

For more information about hearing, see our website at [direct.motorola.com/hellomoto/nss/AcousticSafety.asp](http://direct.motorola.com/hellomoto/nss/AcousticSafety.asp) (in English only).

# Children

**Keep your product and its accessories away from small children.** These products are not toys and may be hazardous to small children. For example:

- A choking hazard may exist for small, detachable parts.
- Improper use could result in loud sounds, possibly causing hearing injury.
- Improperly handled batteries could overheat and cause a burn.

## Symbol Key

Your battery, charger, or accessory product may contain symbols, defined as follows:

Symbol	Definition
	Important safety information follows. <small>2012.05.08 INTERNAL TRIAL USE ONLY</small>
	Do not dispose of your product or battery in a fire.
 	Your product or battery may require recycling in accordance with local laws. Contact your local regulatory authorities for more information.

Symbol	Definition
	Do not dispose of your product or battery with your household waste. See "Recycling" for more information.

## European Union Directives Conformance Statement

The following CE compliance information is applicable to Motorola products that carry one of the following CE marks:

Hereby, Motorola declares that this product is in compliance with:

- The essential requirements and other relevant provisions of Directive 1999/5/EC
- All other relevant EU Directives

Product  
Approval  
Number

The above gives an example of a typical Product Approval Number. You can view your product's Declaration of Conformity (DoC) to Directive 1999/5/EC (to R&TTE Directive) at [www.motorola.com/rtte](http://www.motorola.com/rtte). To find your DoC, enter the Product Approval Number from your product's label in the "Search" bar on the website.

## FCC Notice to Users

**The following statement applies to all products that bear the FCC logo on the product label.**

This equipment has been tested and found to comply with the limits for a Class B digital device, pursuant to part 15 of the FCC Rules. See 47 CFR Sec. 15.105(b). These limits are designed to provide reasonable protection against harmful interference in a residential installation. This equipment generates, uses and can radiate radio frequency energy and, if not installed and used in accordance with the instructions, may cause harmful interference to radio communications. However, there is no guarantee that interference will not occur in a particular

installation. If this equipment does cause harmful interference to radio or television reception, which can be determined by turning the equipment off and on, the user is encouraged to try to correct the interference by one or more of the following measures:

- Reorient or relocate the receiving antenna.
- Increase the separation between the equipment and the receiver.
- Connect the equipment to an outlet on a circuit different from that to which the receiver is connected.
- Consult the dealer or an experienced radio/TV technician for help.

This device complies with part 15 of the FCC Rules. Operation is subject to the following two conditions: (1) This device may not cause harmful interference, and (2) this device must accept any interference received, including interference that may cause undesired operation. See 47 CFR Sec. 15.19(a)(3).

Motorola has not approved any changes or modifications to this device by the user. Any changes or modifications could void the user's authority to operate the equipment. See 47 CFR Sec. 15.21.

For products that support W-Fi 802.11a (as defined in the product specifications available at [www.motorola.com](http://www.motorola.com)), the following information applies. This equipment has the capability to operate Wi-Fi in the 5 GHz Unlicensed National Information Infrastructure (U-NII) band. Because this band is shared with MSS (Mobile Satellite Service), the FCC has restricted such devices to indoor use only (see 47 CFR 15.407(e)). Since wireless hot spots operating in this band have the same restriction, outdoor services are not offered. Nevertheless, please do not operate this device in Wi-Fi mode when outdoors.

# Industry Canada Notice to Users

Operation is subject to the following two conditions: (1) This device may not cause interference and (2) This device must accept any interference, including interference that may cause undesired operation of the device. See RSS-GEN 7.1.5. This Class B digital apparatus complies with Canadian ICES-003.

## Use & Care

To care for your Motorola product, please keep it away from:

### liquids of any kind

Don't expose your product to water, rain, extreme humidity, sweat, or other moisture. If it does get wet, don't try to accelerate drying with the use of an oven or dryer, as this may damage the product.

### extreme heat or cold

Avoid temperatures below -10°C (14°F) or above 60°C (140°F). For battery powered accessories, do not recharge your accessory in temperatures below 0°C (32°F) or above 45°C (113°F).

### microwaves

Don't try to dry your product in a microwave oven.

### **dust and dirt**

Don't expose your product to dust, dirt, sand, food, or other inappropriate materials.

### **cleaning solutions**

To clean your product, use only a dry soft cloth. Don't use alcohol or other cleaning solutions.

### **shock and vibration**

Don't drop your product.

## Recycling

### Products & Accessories

Please do not dispose of products or electrical accessories (such as chargers, headsets, or batteries) with your household waste, or in a fire. These items should be disposed of in accordance with the national collection and recycling schemes operated by your local or regional authority. Alternatively, you may return unwanted products and electrical accessories to any Motorola Approved Service Center in your region. Details of Motorola approved national recycling schemes, and further information on Motorola recycling activities can be found at: [www.motorola.com/recycling](http://www.motorola.com/recycling)

## Packaging & Product Guides

Product packaging and product guides should only be disposed of in accordance with national collection and recycling requirements. Please contact your regional authorities for more details.

## Software Copyright Notice

Motorola products may include copyrighted Motorola and third-party software stored in semiconductor memories or other media. Laws in the United States and other countries preserve for Motorola and third-party software providers certain exclusive rights for copyrighted software, such as the exclusive rights to distribute or reproduce the copyrighted software. Accordingly, any copyrighted software contained in Motorola products may not be modified, reverse-engineered, distributed, or reproduced in any manner to the extent allowed by law. Furthermore, the purchase of Motorola products shall not be deemed to grant either directly or by implication, estoppel, or otherwise, any license under the copyrights, patents, or patent applications of Motorola or any third-party software provider, except for the normal, non-exclusive, royalty-free license to use that arises by operation of law in the sale of a product.

## Export Law Assurances

This product is controlled under the export regulations of the United States of America and Canada. The Governments of the United States of America and Canada may restrict the exportation or re-exportation of this product to certain destinations. For further information contact the U.S. Department of Commerce or the Canadian Department of Foreign Affairs and International Trade.

# Product Registration

Online Product Registration:

[www.motorola.com/us/productregistration](http://www.motorola.com/us/productregistration)
