

MOTOROLA

To whom it may concern

January 25th 2006

We, Motorola Automotive, Jays Close, Viabes Industrial Estate, Basingstoke, Hampshire, RG22 4PD, UK, hereby declare,

that the product

Motorola BPM (Bluetooth Phone Module) model Pxx BPM

Will have the FCC statement warning appended to the end user manual. *Statement 15.21: Information to user changes or modifications note expressly approved by the party responsible for compliance could avoid the user's authority to operate the equipment.*

The end user manual is the responsibility of the vehicle manufacturer and we confirm from them that they will add the statement at the next update/release of their manual.

Yours sincerely

MOTOROLA

A handwritten signature in dark ink, appearing to read 'Harold Innes', written over the printed name.
